

JOB+ MANUAL FOR STUDENTS / JOBSEEKERS

Your step-by-step guide to navigating Job+ confidently

HELLO, STUDENTS! 🖐️

Welcome to the Job+ Guide, your official 22-page manual for using the platform as you transition from school to employment.

This manual explains each feature in simple, practical terms so you can confidently build your profile, explore career options, and apply for jobs.

LET'S GET STARTED!

1. SIGN-UP

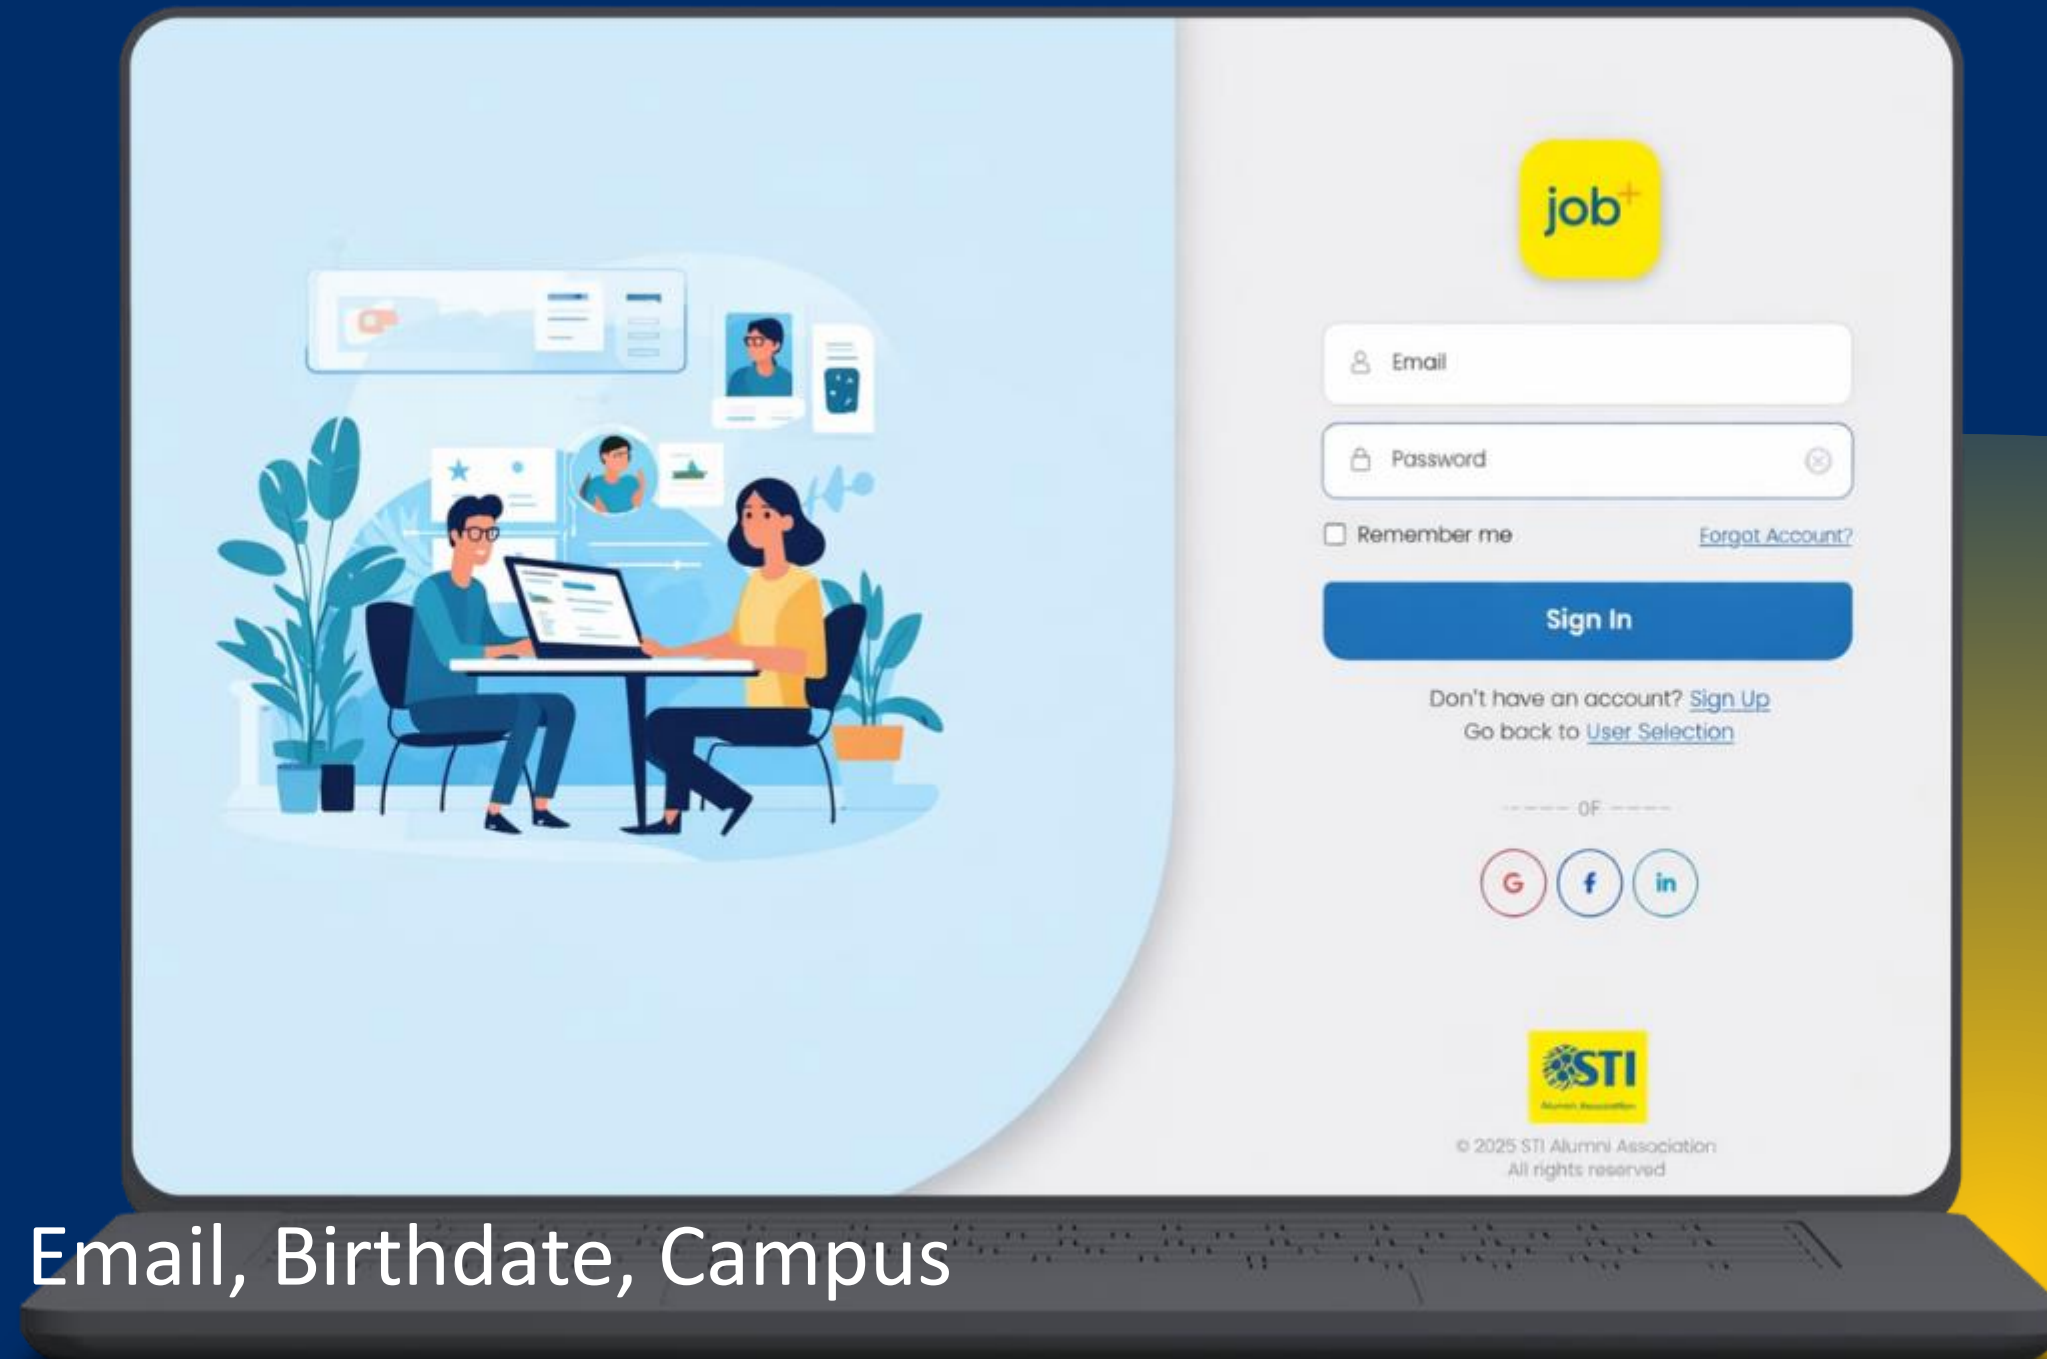

This feature allows you to create an account securely, verify your identity via OTP, and provide essential personal and campus information to access Job+.

1. Begin by opening the **Job+ portal** using the provided link. >>> [Login | Job Seeker](#)
2. On the login page, click Sign Up.
3. Fill out the required fields in the first step.
4. If your details match, you'll receive an OTP—enter it to continue.
5. Complete the remaining steps by providing the needed personal and campus information.
6. Click Submit to finish your registration.

Required fields :

>>> Student Number, First Name, Last Name, Email, Birthdate, Campus

Login as
Job Seeker

Login as
Employer

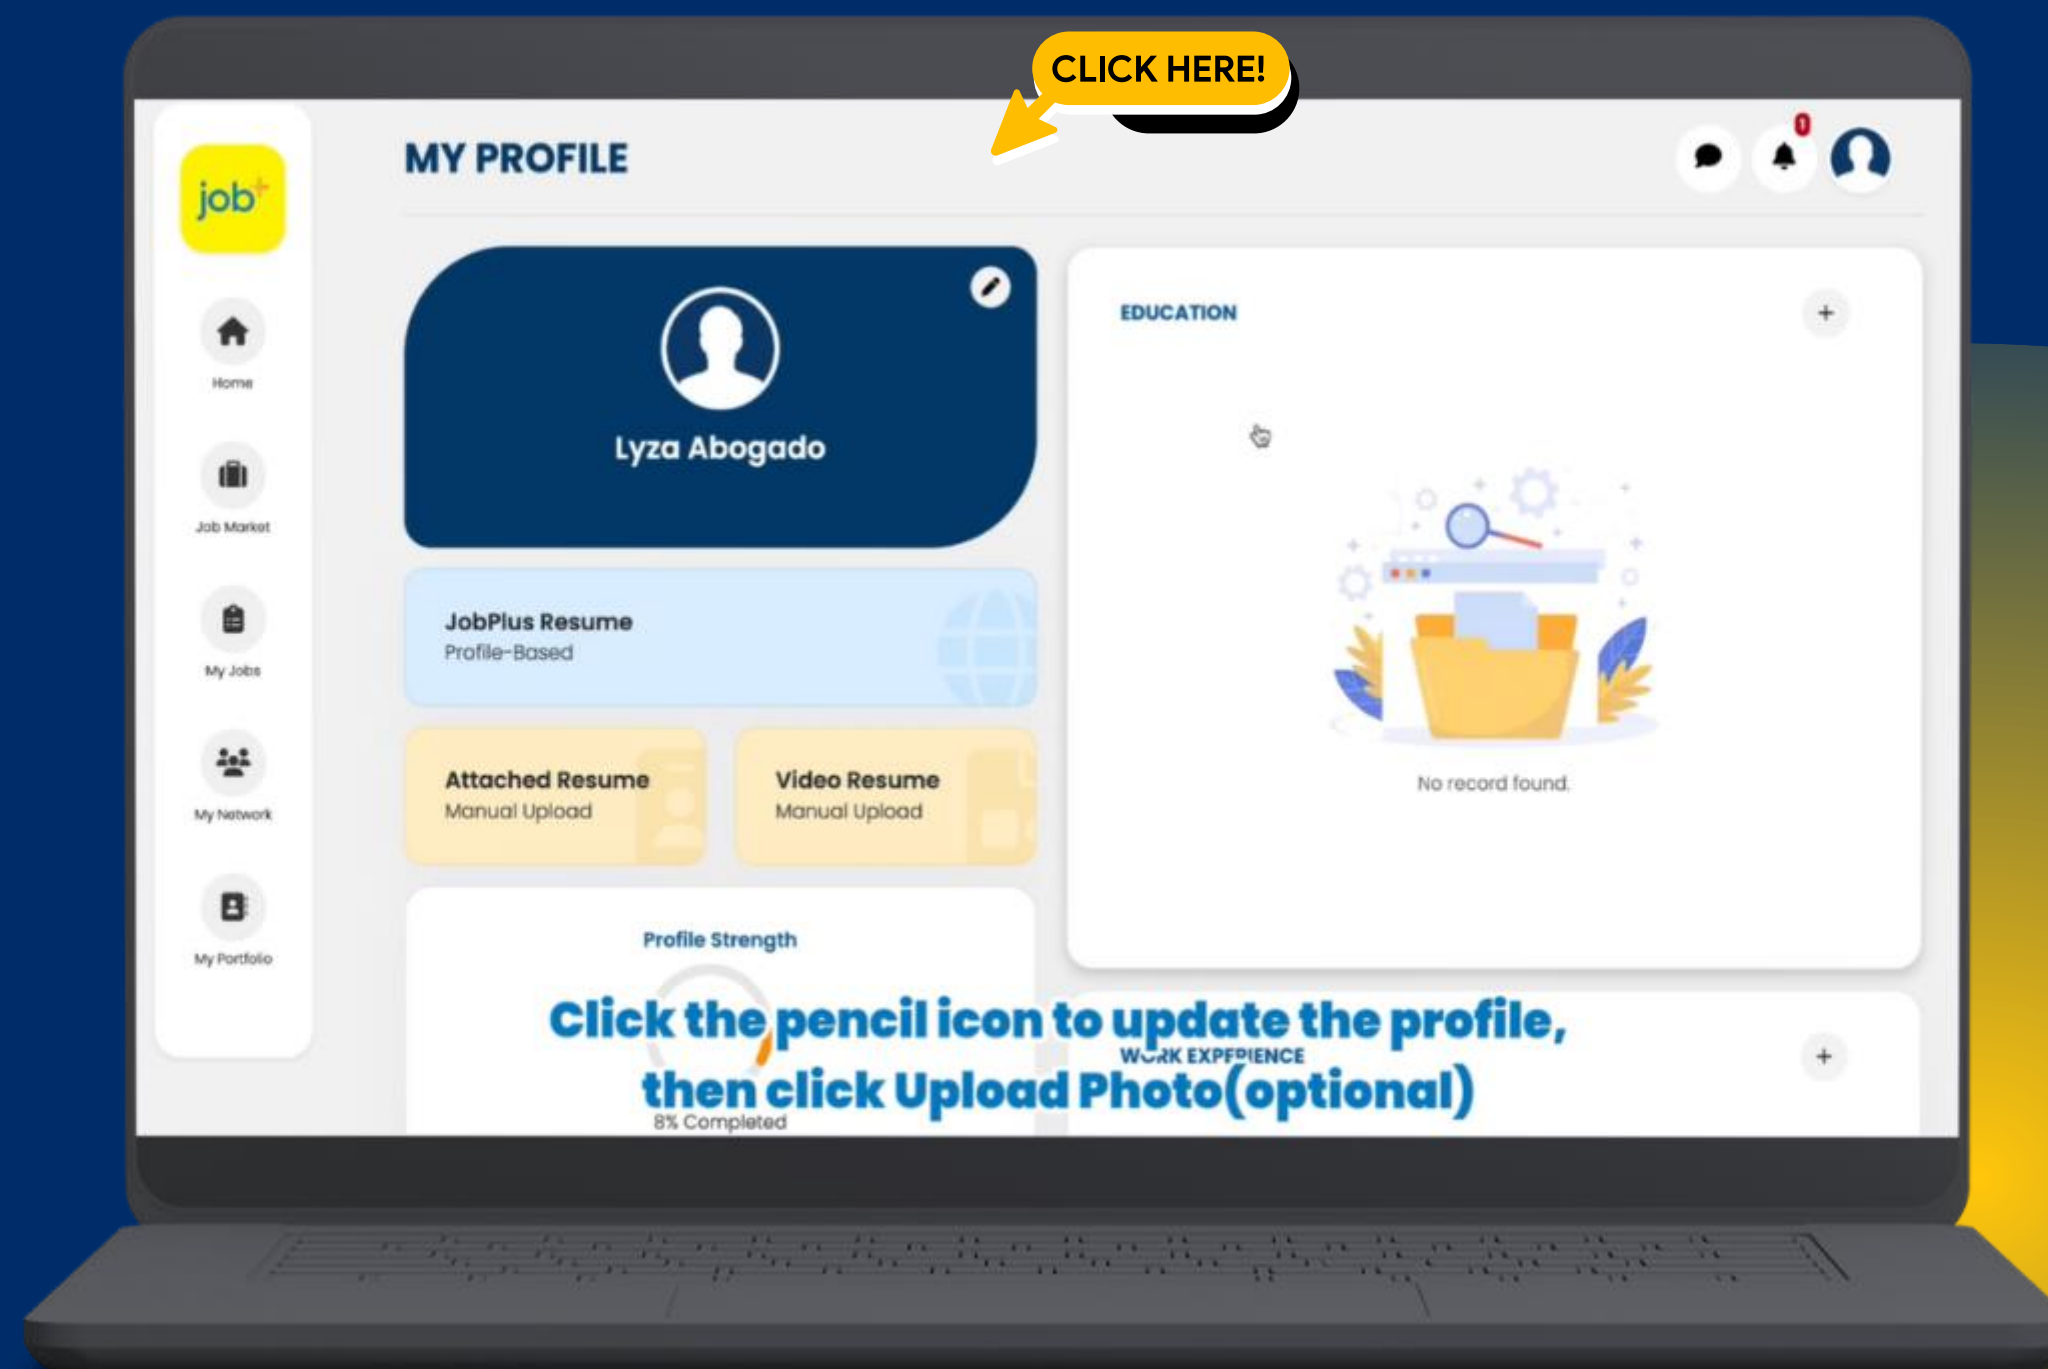

Open the User Selection and click the "Login as Job Seeker"

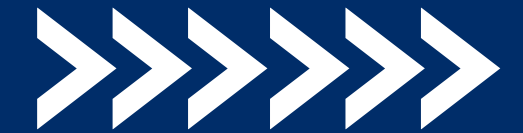

2. MY PROFILE

This feature allows you to update your personal information, profile photo, and account password to keep your profile accurate and secure.

1. Click your profile icon
2. Click the pencil icon at the top of your profile.
3. Under Upload Photo, click Upload Photo (Optional).
4. Select an image from your device.
5. Crop the photo as needed, then click Crop & Save.
6. Click Save to update your profile photo.

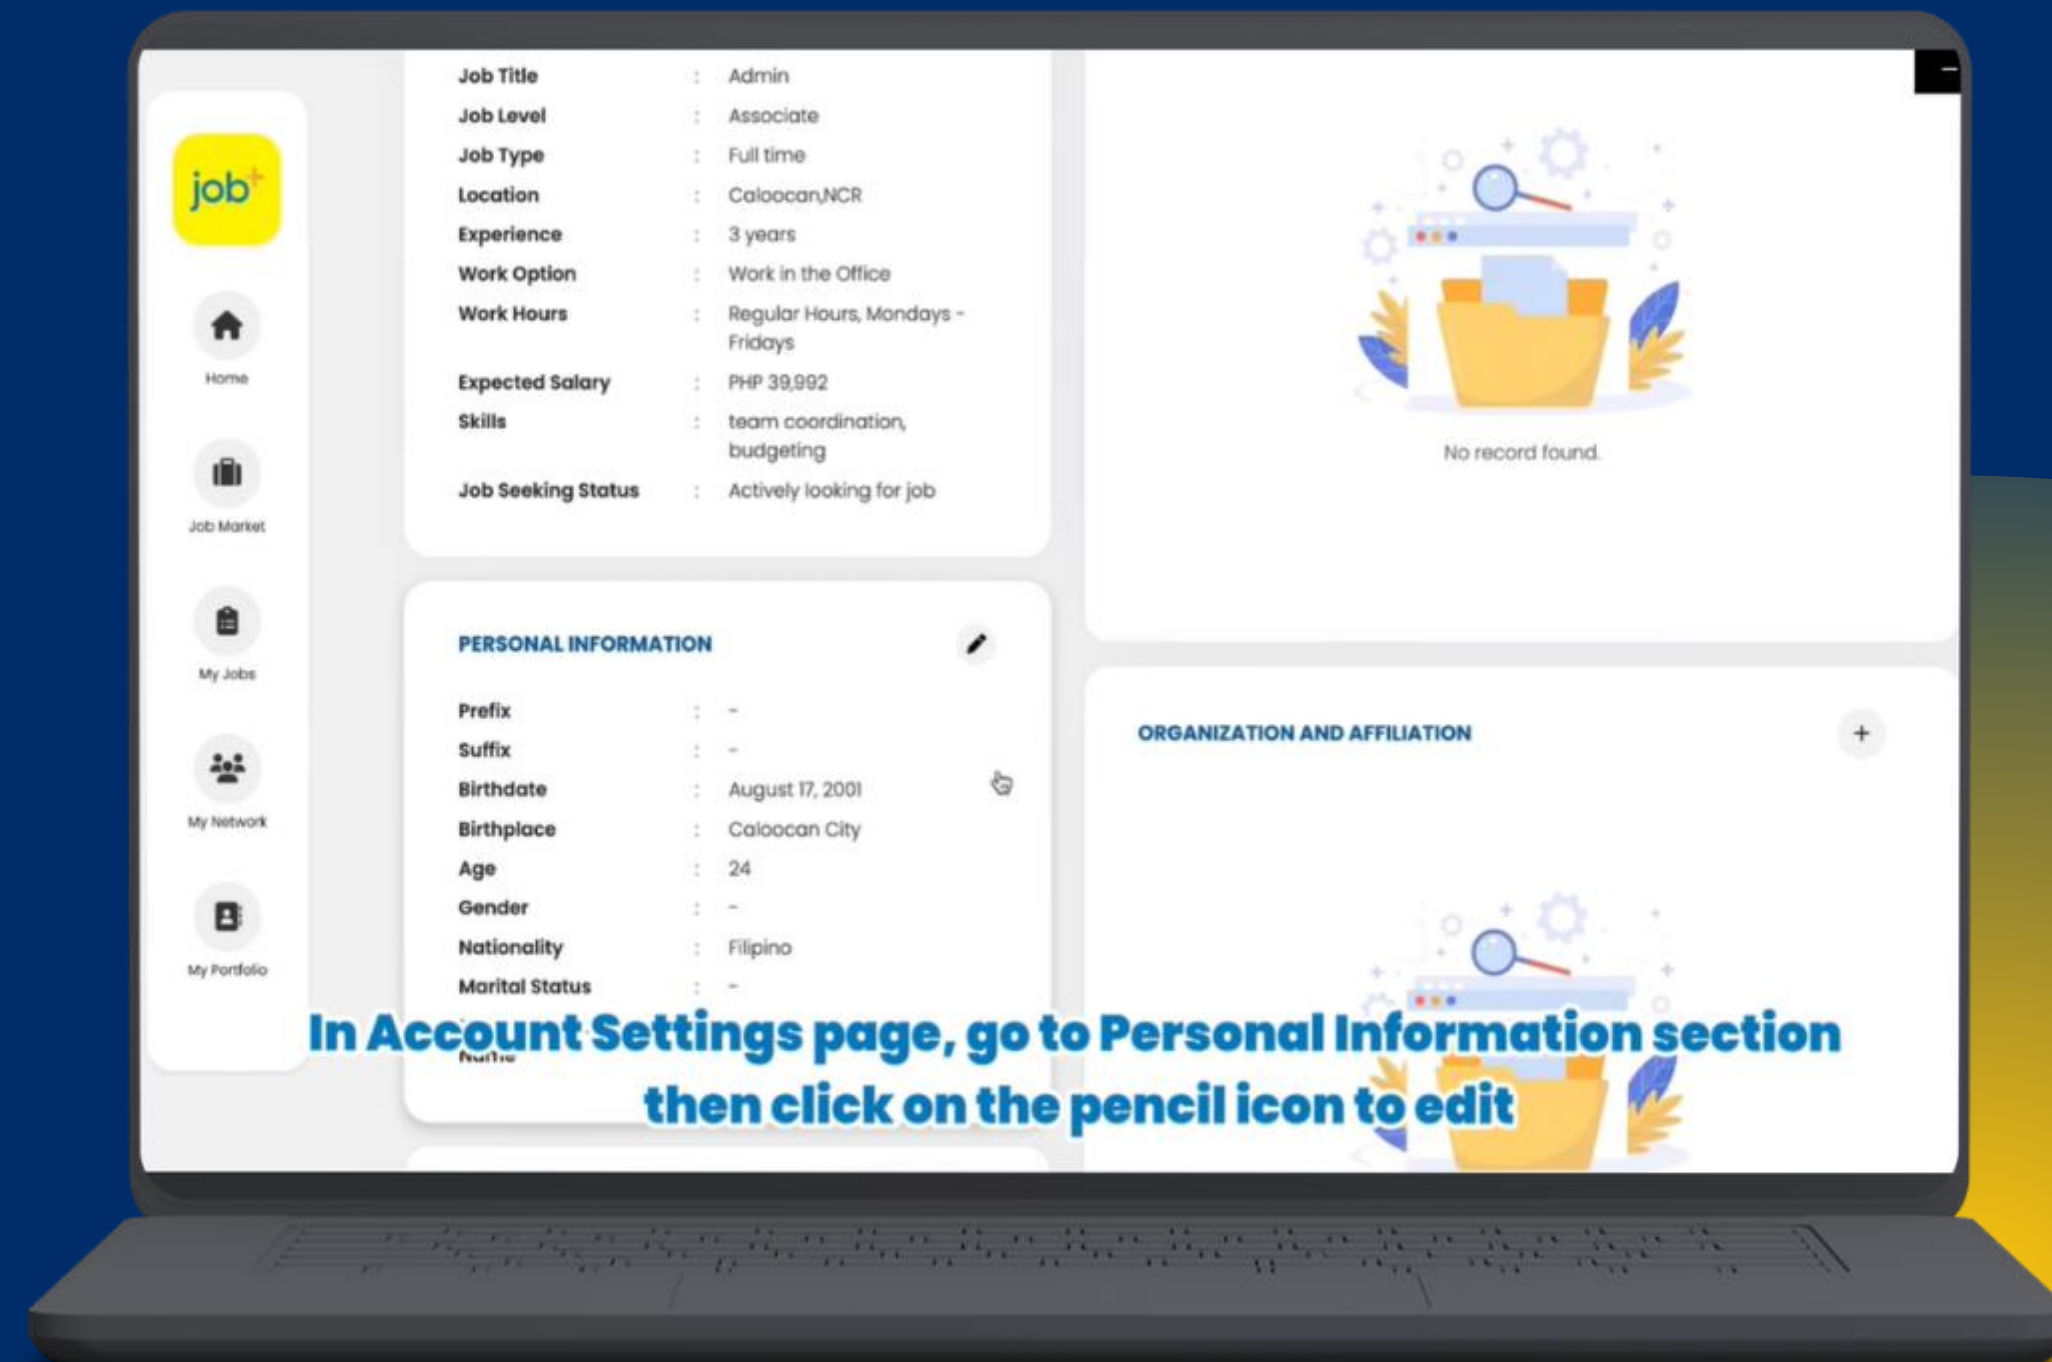

2. MY PROFILE

To reset your password

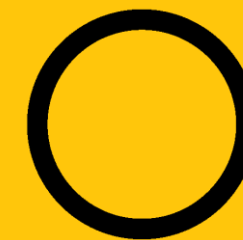

1. In Account Settings, go to the Personal Information section and click the pencil icon.
2. Click Reset Password.
3. Enter your current password, then click Continue to proceed to OTP verification.
4. Enter the OTP and click Submit.
5. Provide your New Password and Confirm Password, then click Reset Password to finish.

2. MY PROFILE

You can also update and enter information in the following sections of your Job+ profile:

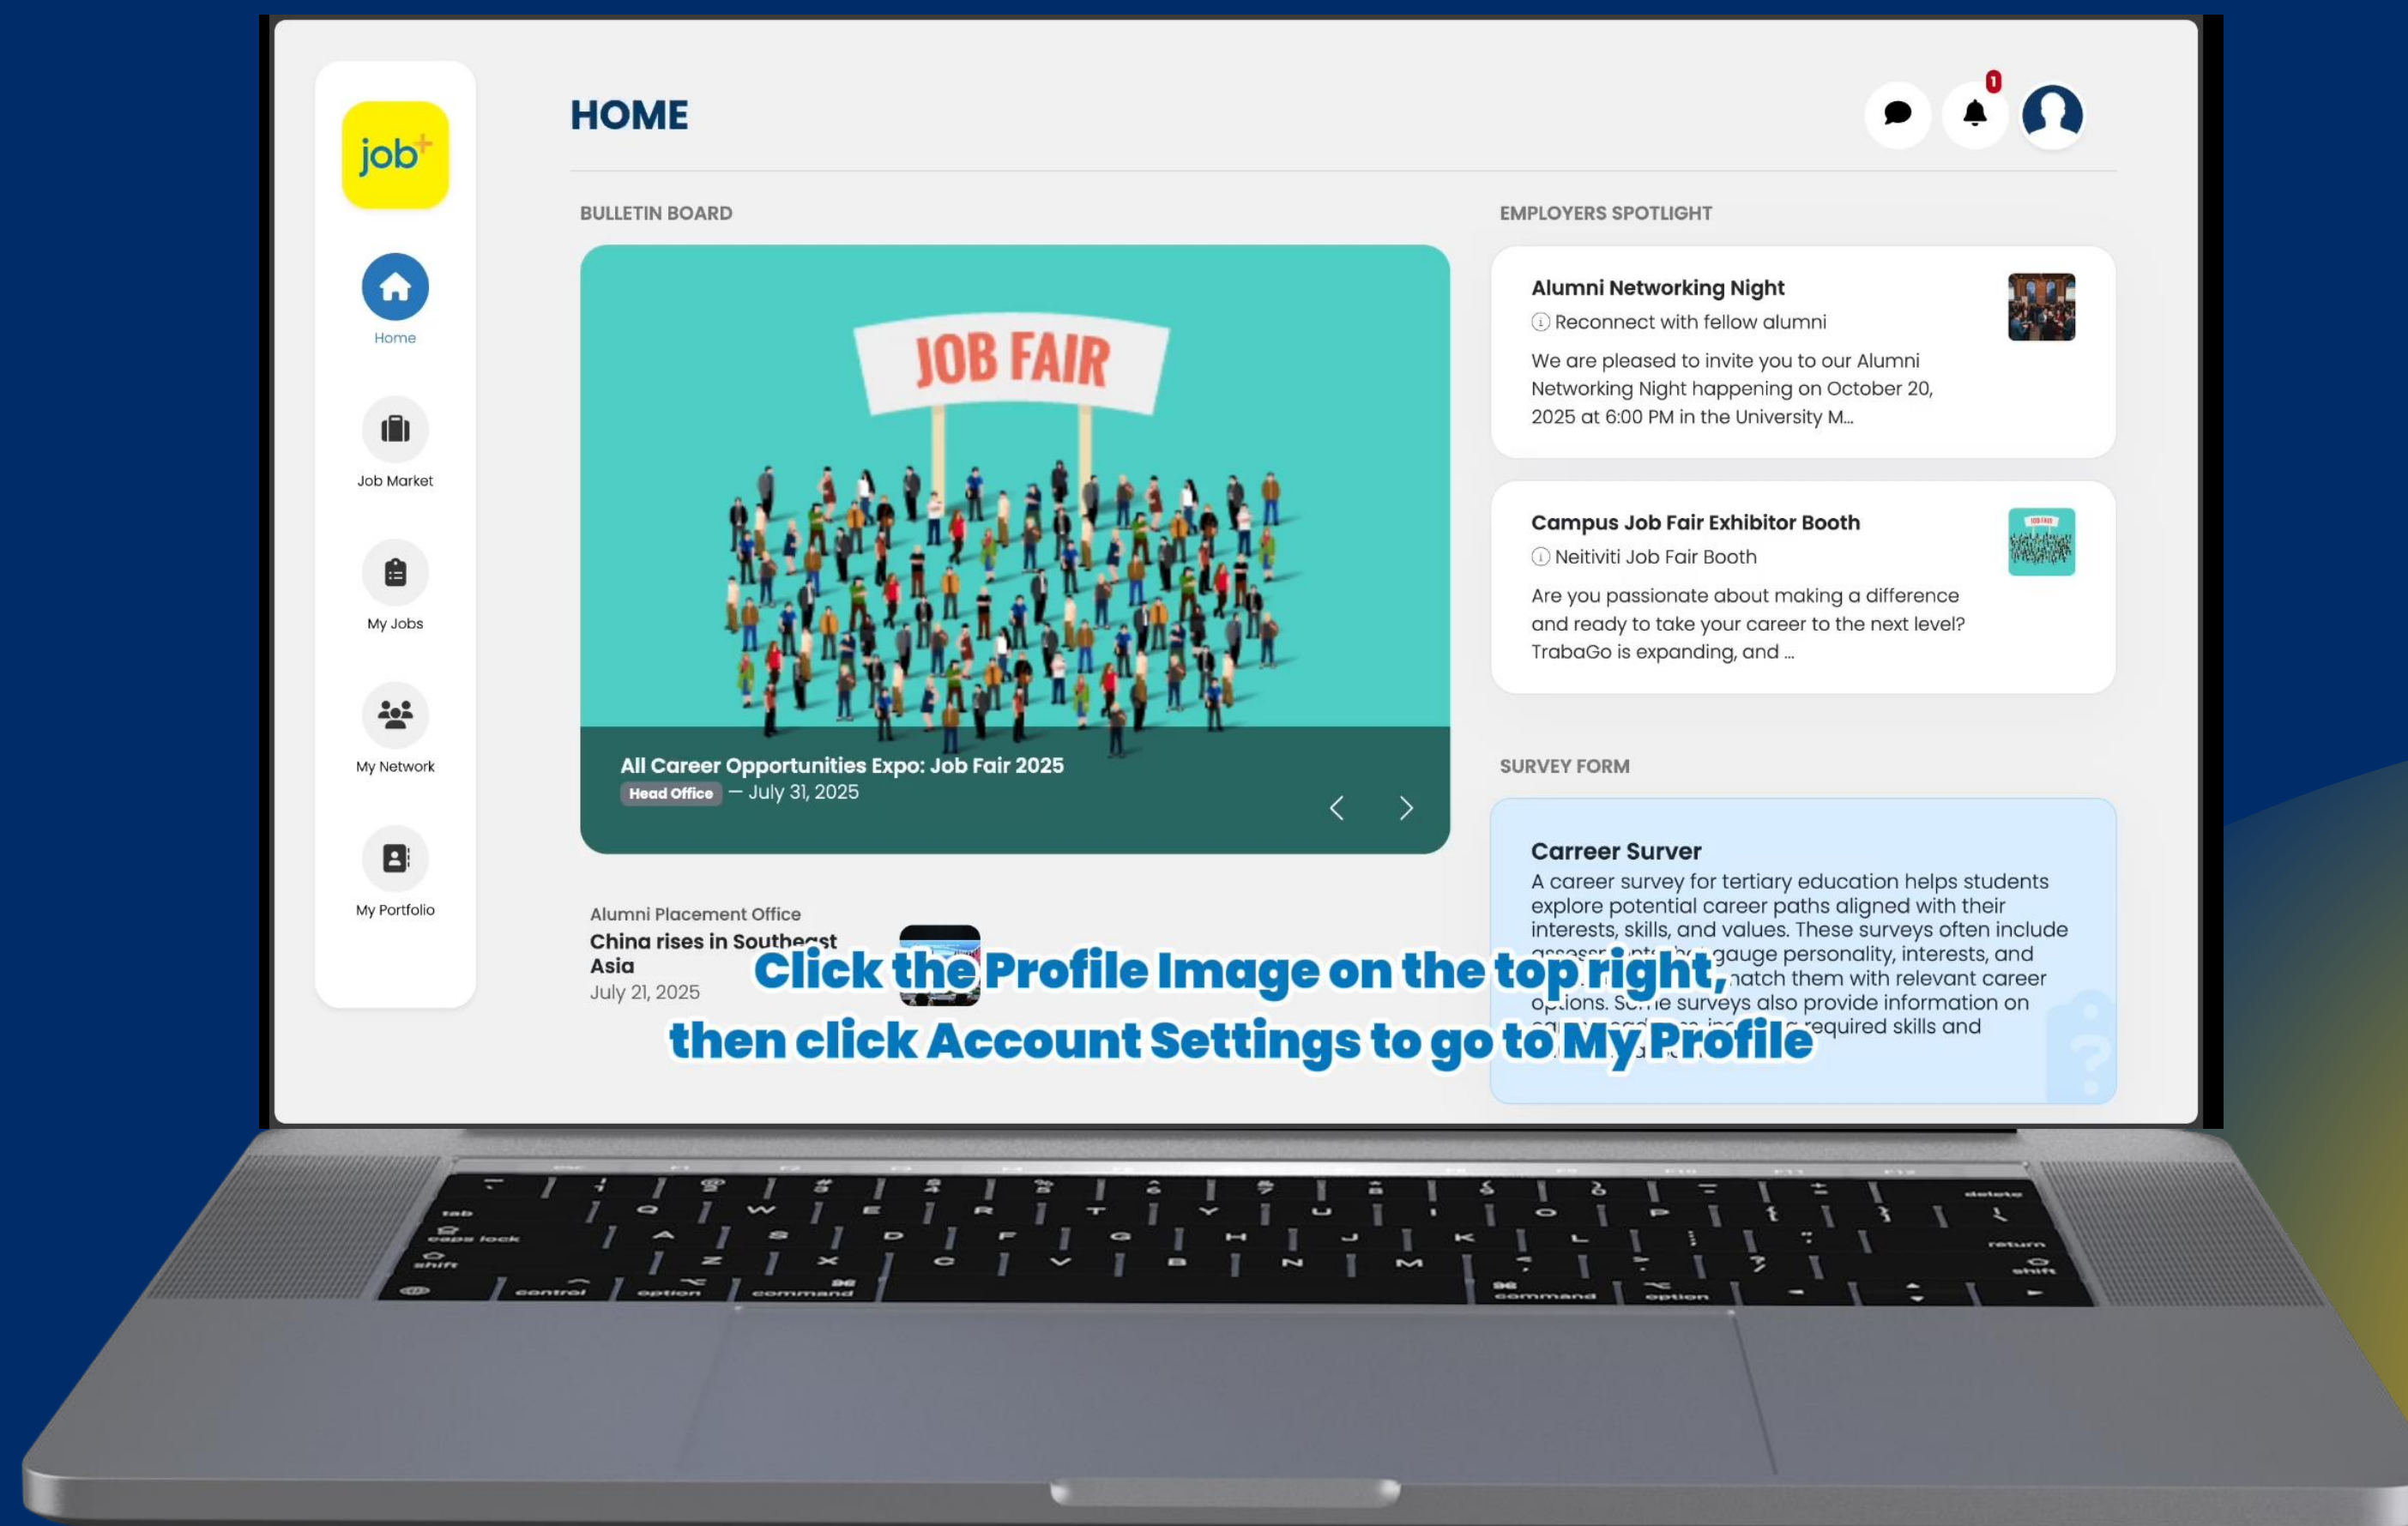

- Settings
- Social Accounts
- Social Logins
- Education
- Work Experience
- Projects
- Organization & Affiliation
- Certification & Licenses
- Professional Exams
- Awards & Achievements
- Seminars & Training
- Languages
- References

**COMPLETE YOUR PROFILE -
INCOMPLETE PROFILE RARELY
GETS HIRED**

You can also upload or attach a video resume directly to your profile.

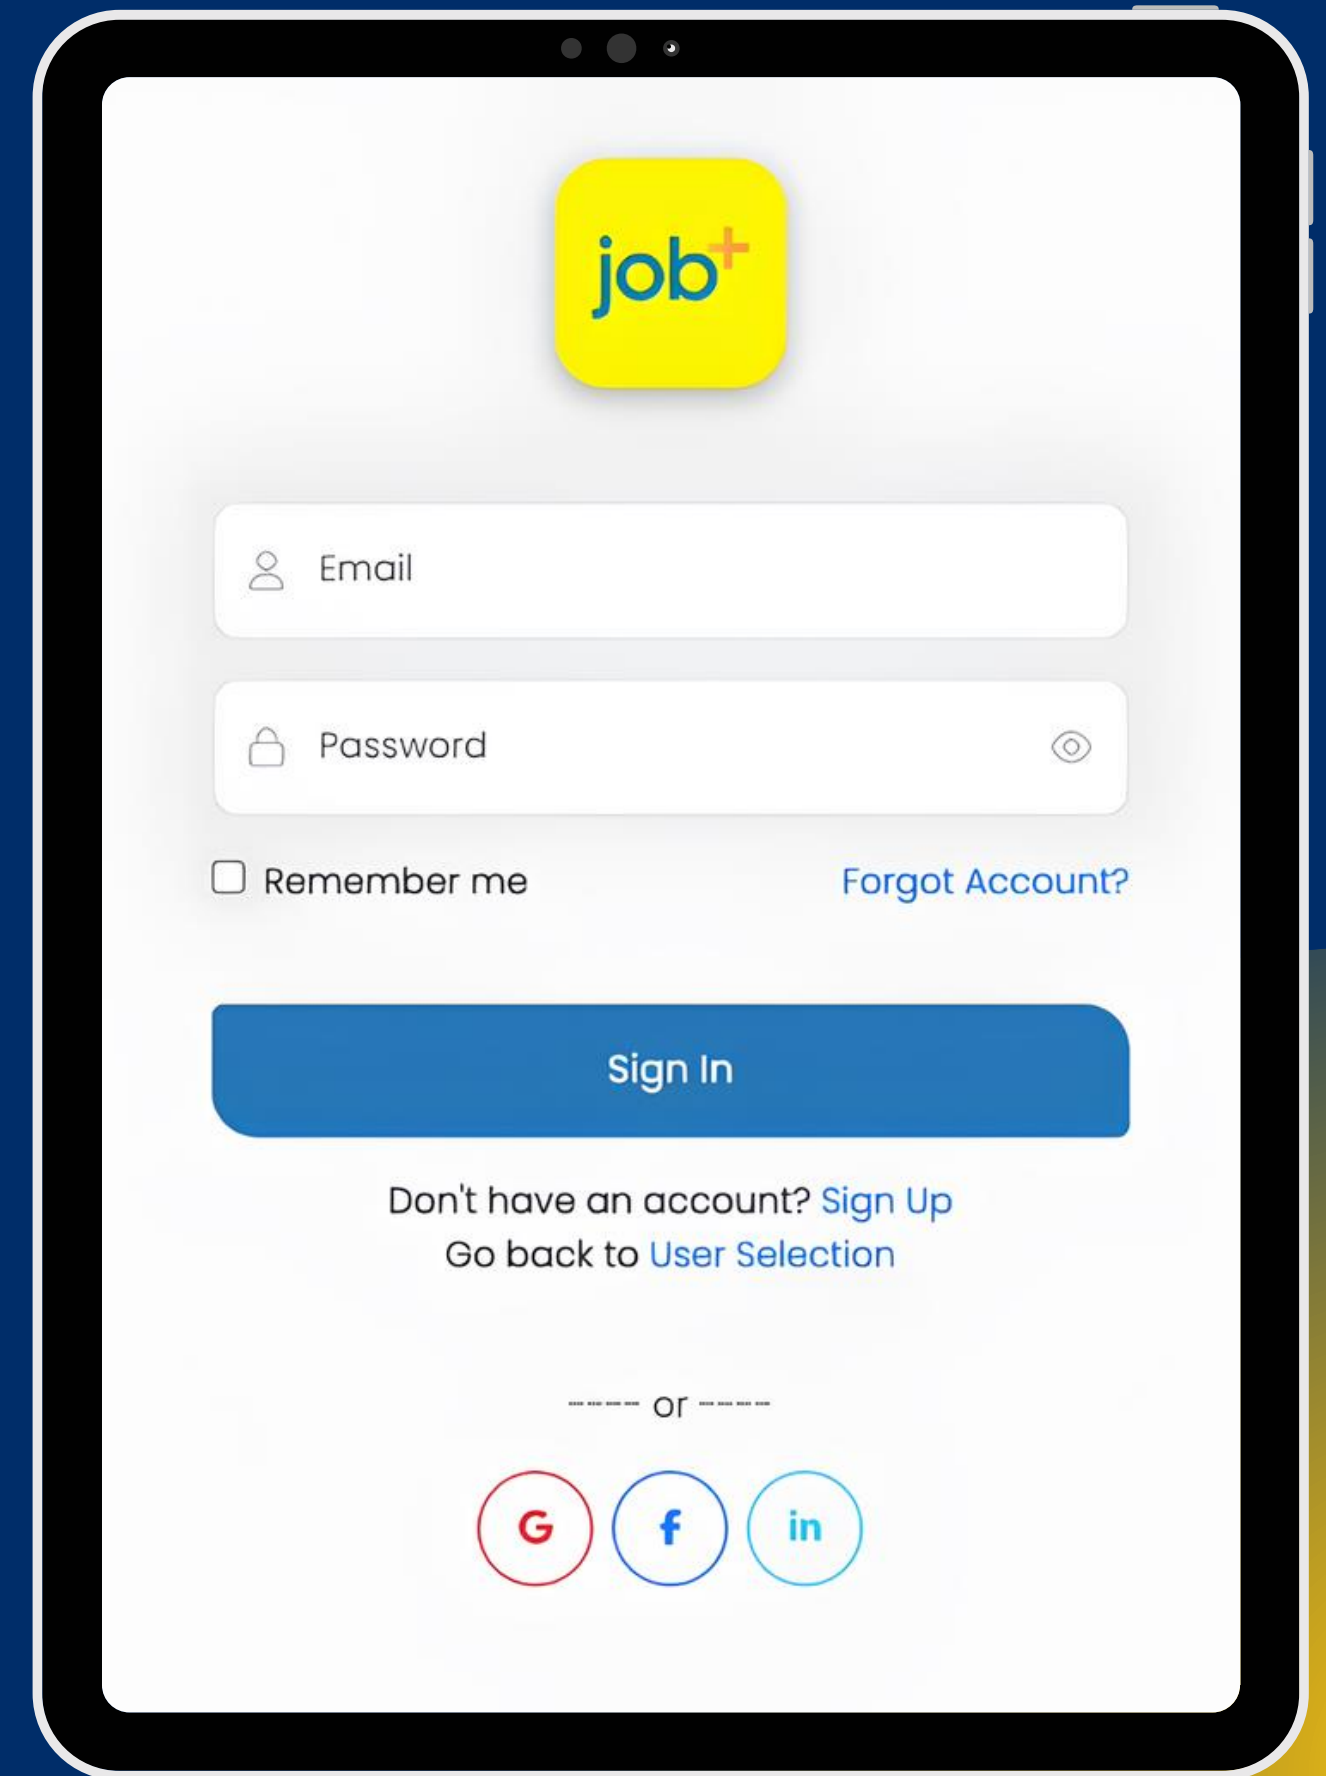

Additionally, you may view your Job+ resume, choose how it is organized through the resume settings, and download it in PDF format.

3. LOG-IN

Allows you to securely log in to the system and access features specific to your role.

1. Enter your registered email and password.
2. Click the Sign In button.

A tablet displaying the Job+ login interface. At the top is the Job+ logo, which consists of the word "job" in blue and a yellow plus sign on a yellow rounded square. Below the logo are two input fields: "Email" with a person icon and "Password" with a lock icon and a toggle eye icon. Under the password field is a checkbox labeled "Remember me" and a link "Forgot Account?". A large blue "Sign In" button is centered below these fields. Below the button, the text "Don't have an account? Sign Up" and "Go back to User Selection" are displayed. At the bottom, there is a separator line with "or" in the center, followed by three circular social media icons for Google, Facebook, and LinkedIn.

to do?

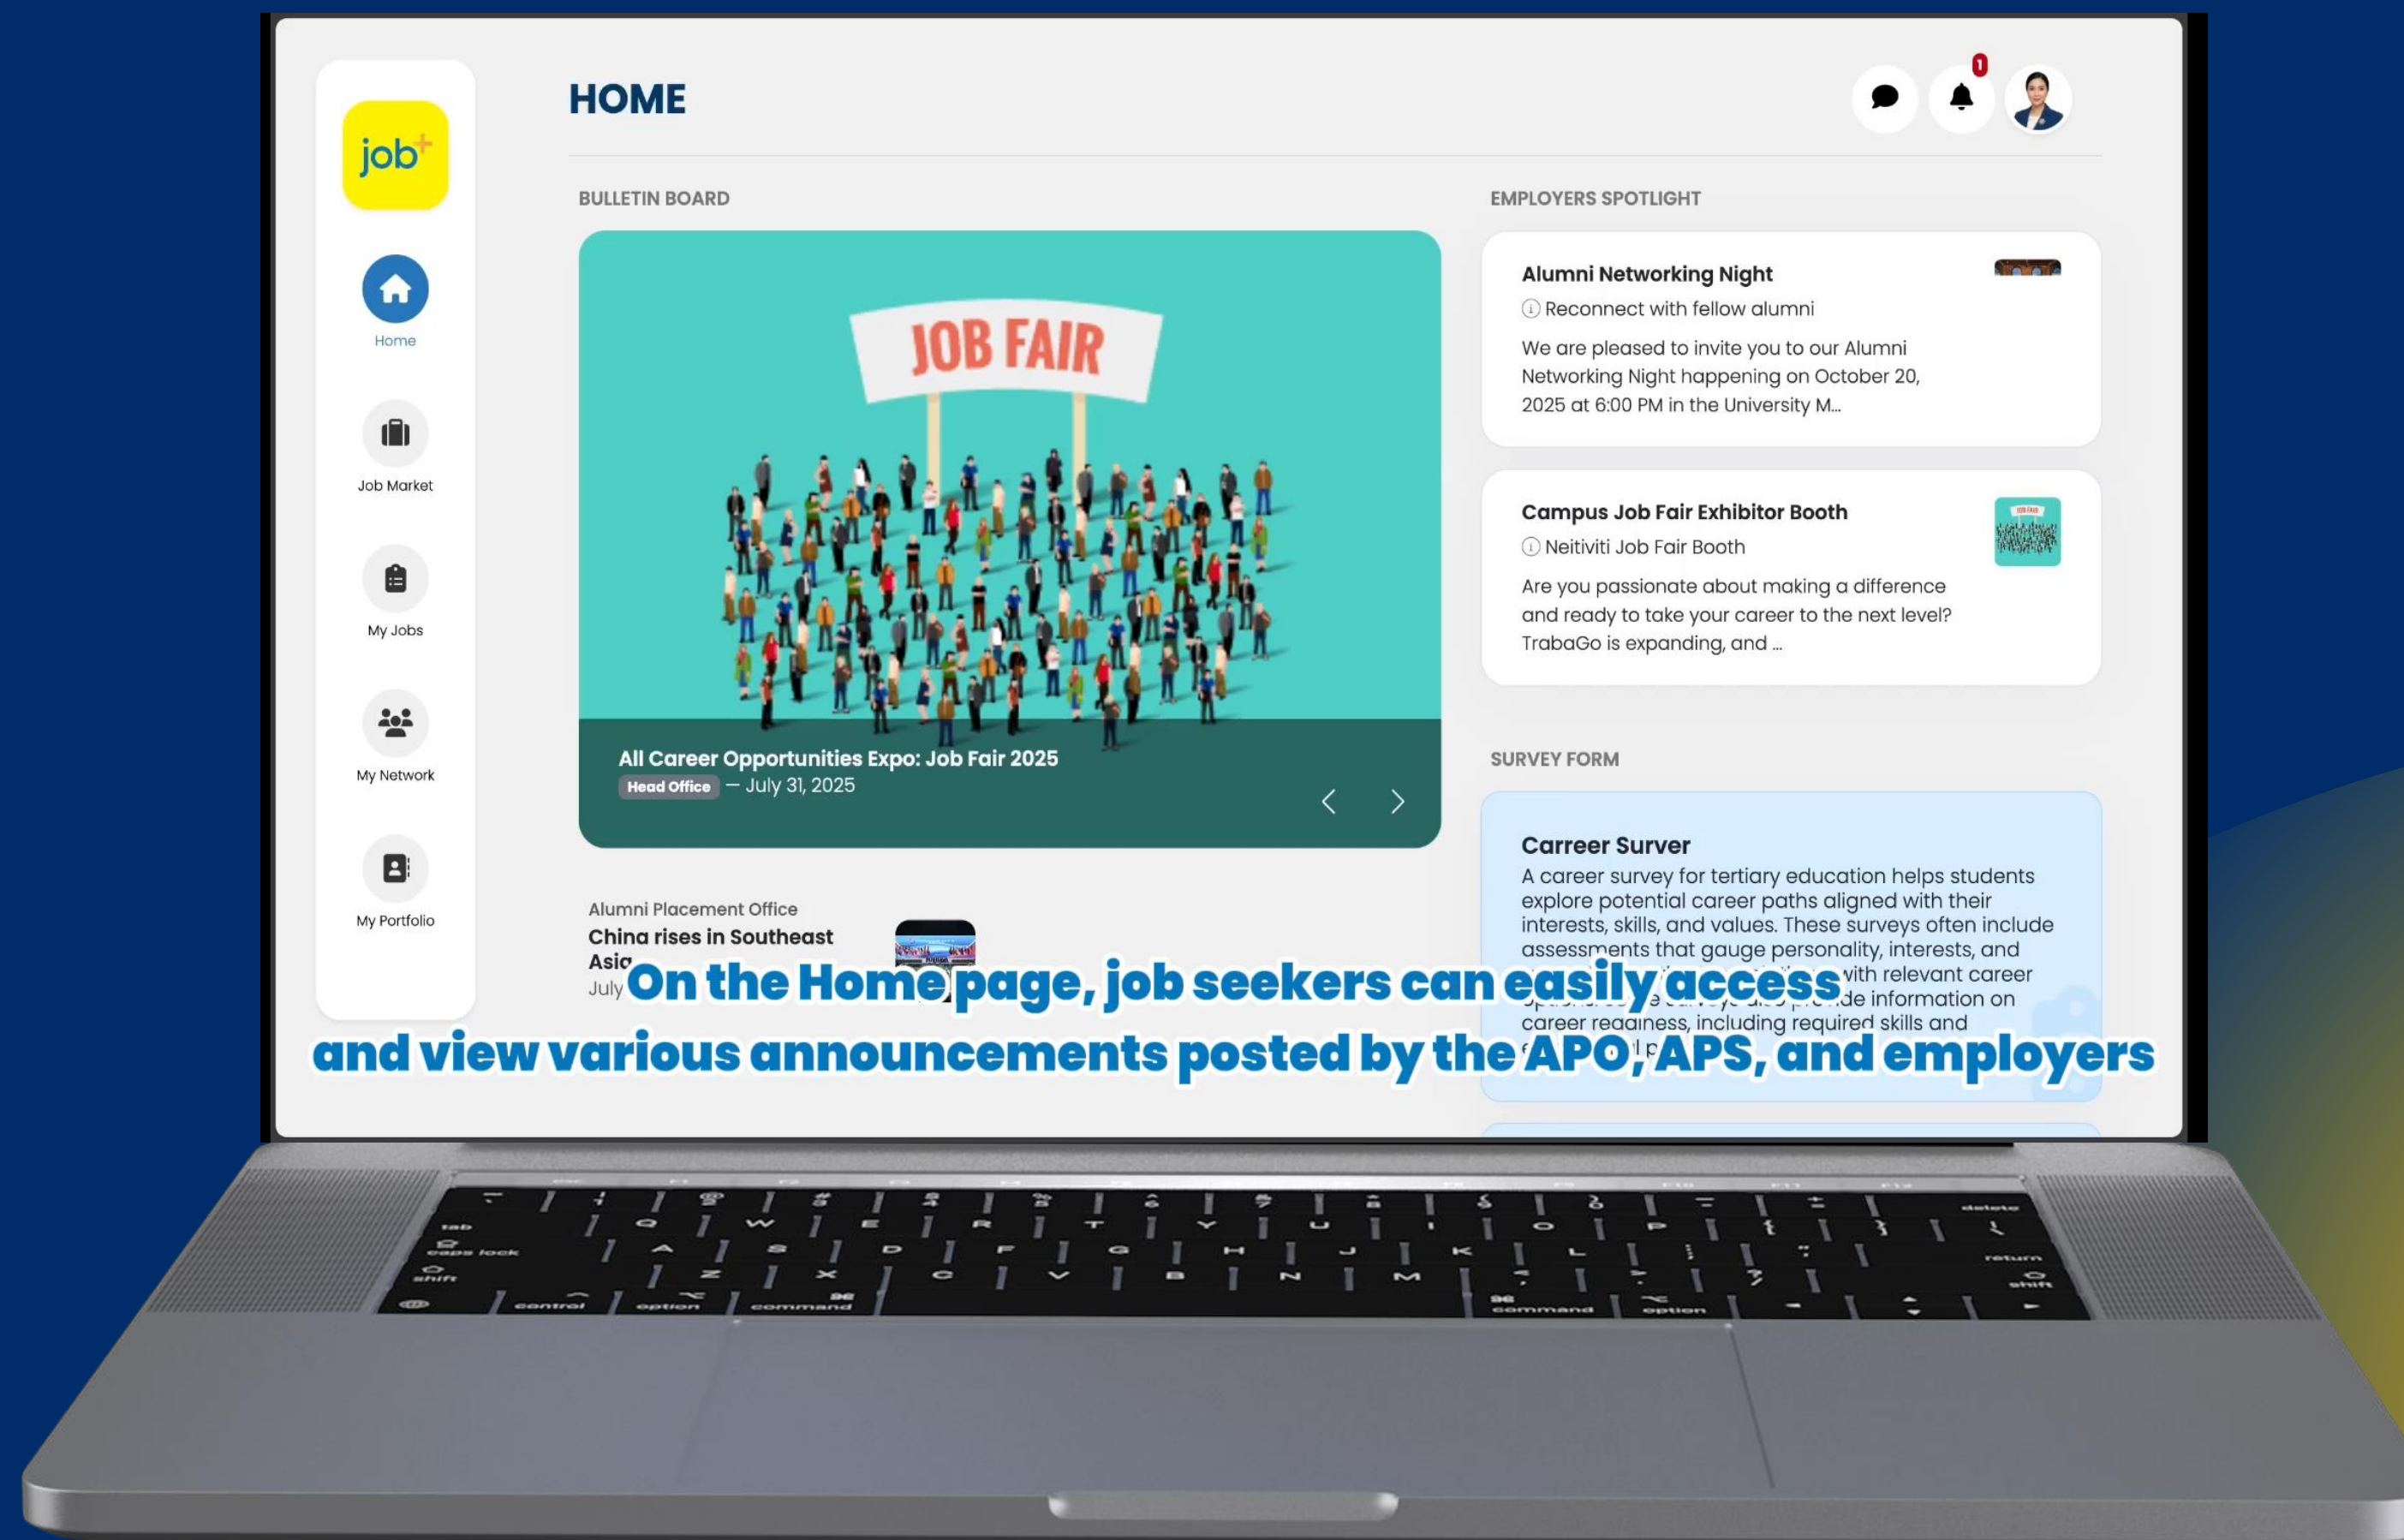

4. HOME

On the Home page, you can conveniently access and view various announcements posted by the APO, APS, and employers. These announcements may include **important updates, upcoming events, job opportunities, and other relevant information.**

In addition, you have the option to participate in surveys distributed by APO as well as those provided by the APS, allowing you to share feedback, opinions, or other requested information directly through the platform.

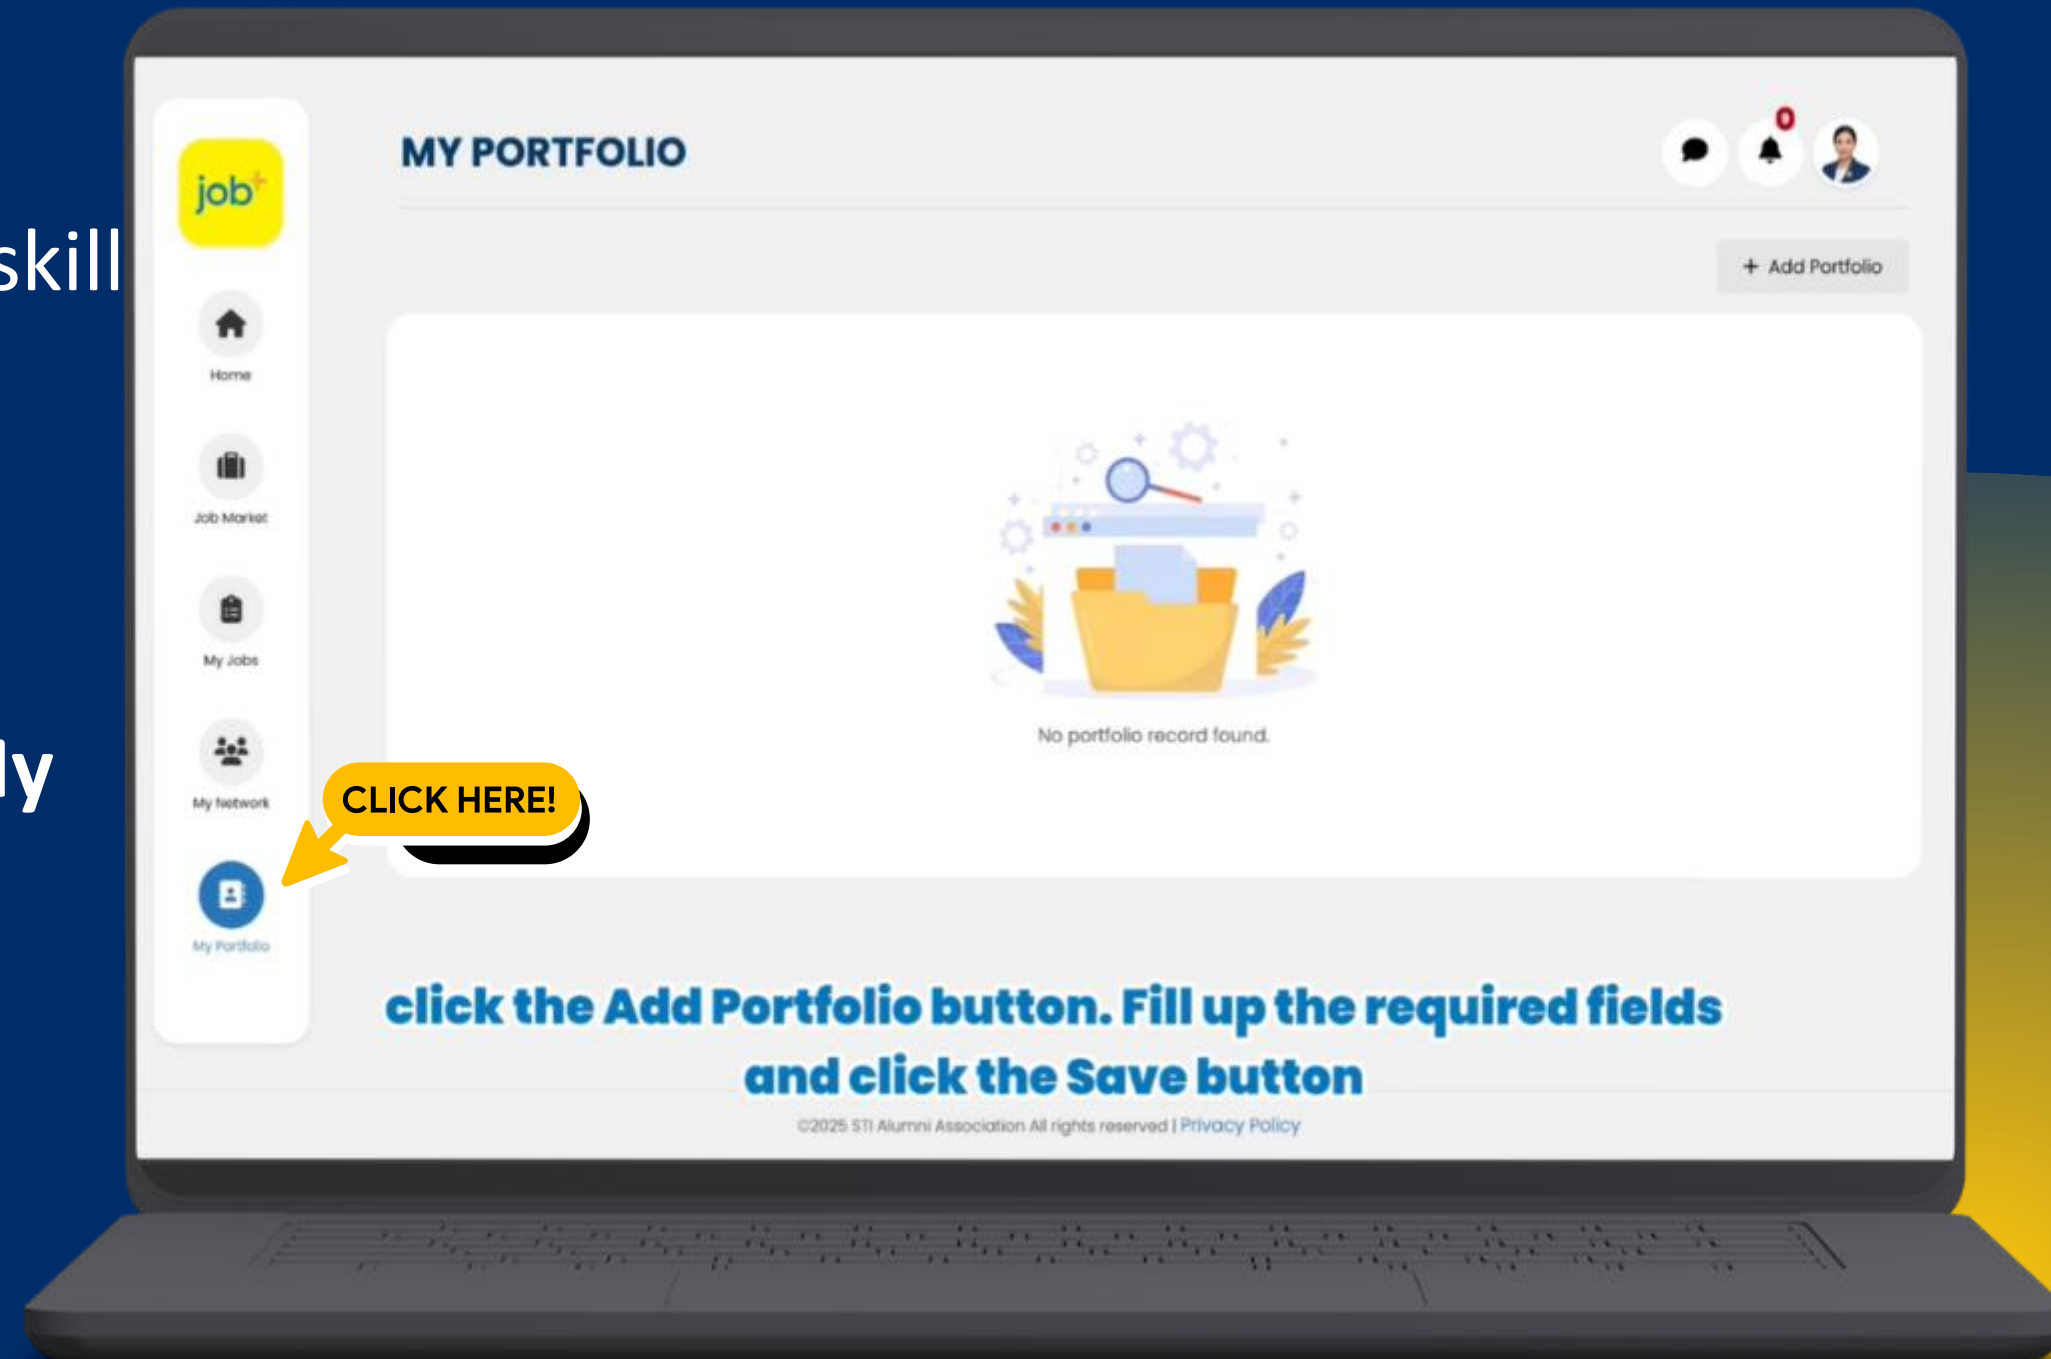

5. MY PORTFOLIO

This feature enables you to showcase your skill and accomplishments by uploading files or adding links to their portfolio, providing a centralized view of your professional work.

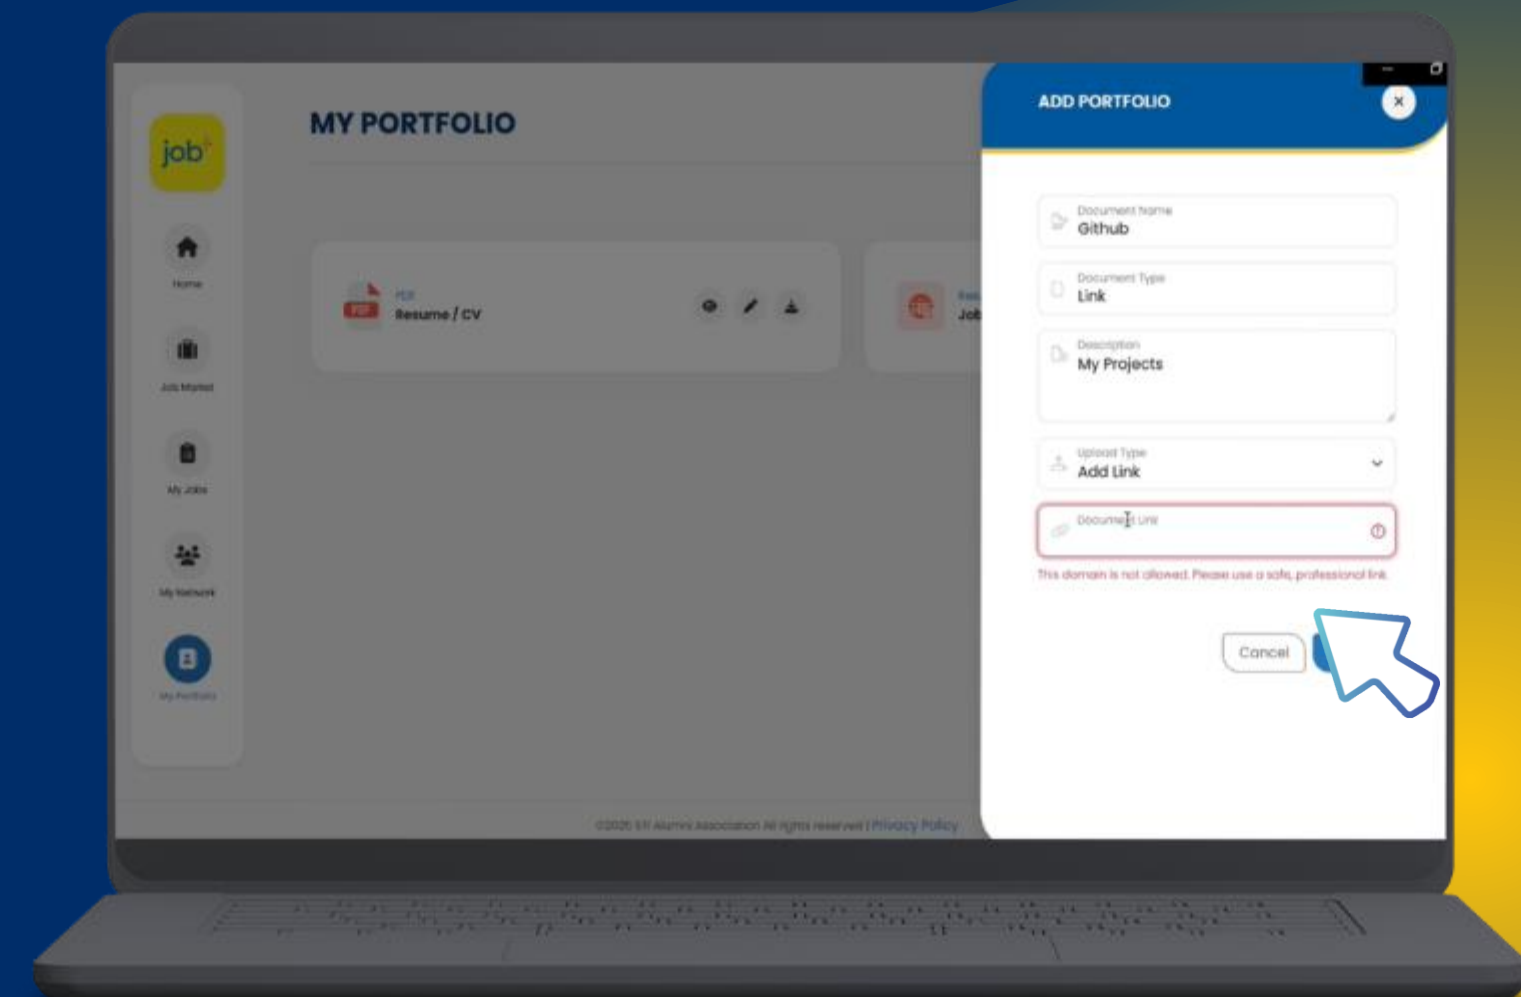

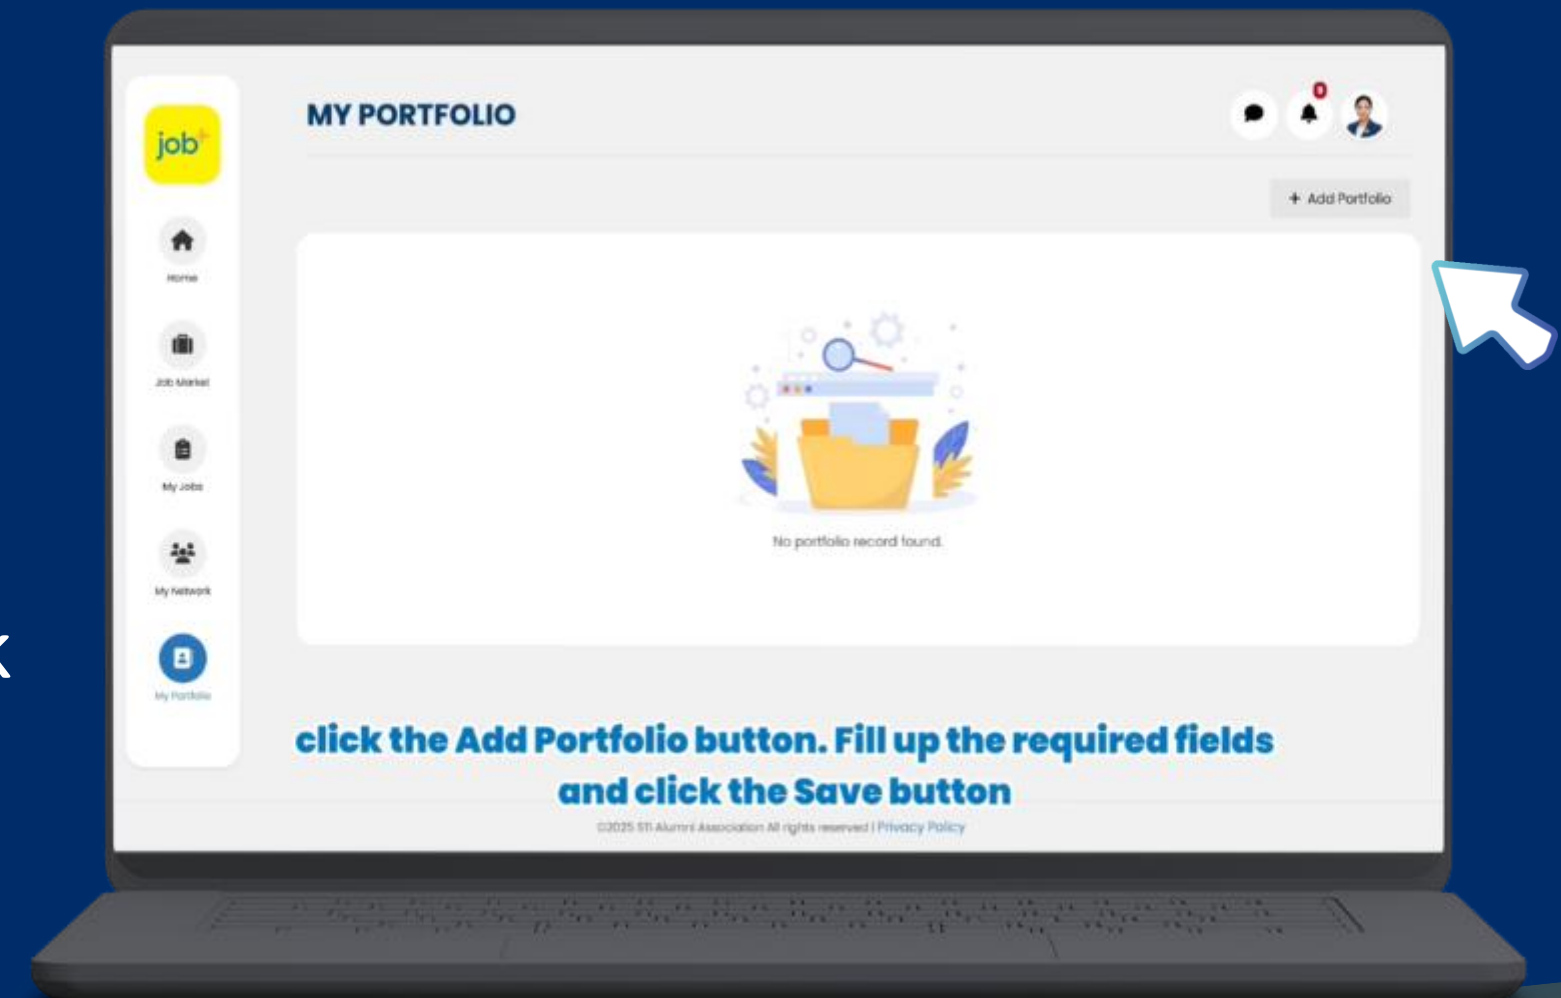

1. Navigate the side menu and click the **My Portfolio** to go to the page.

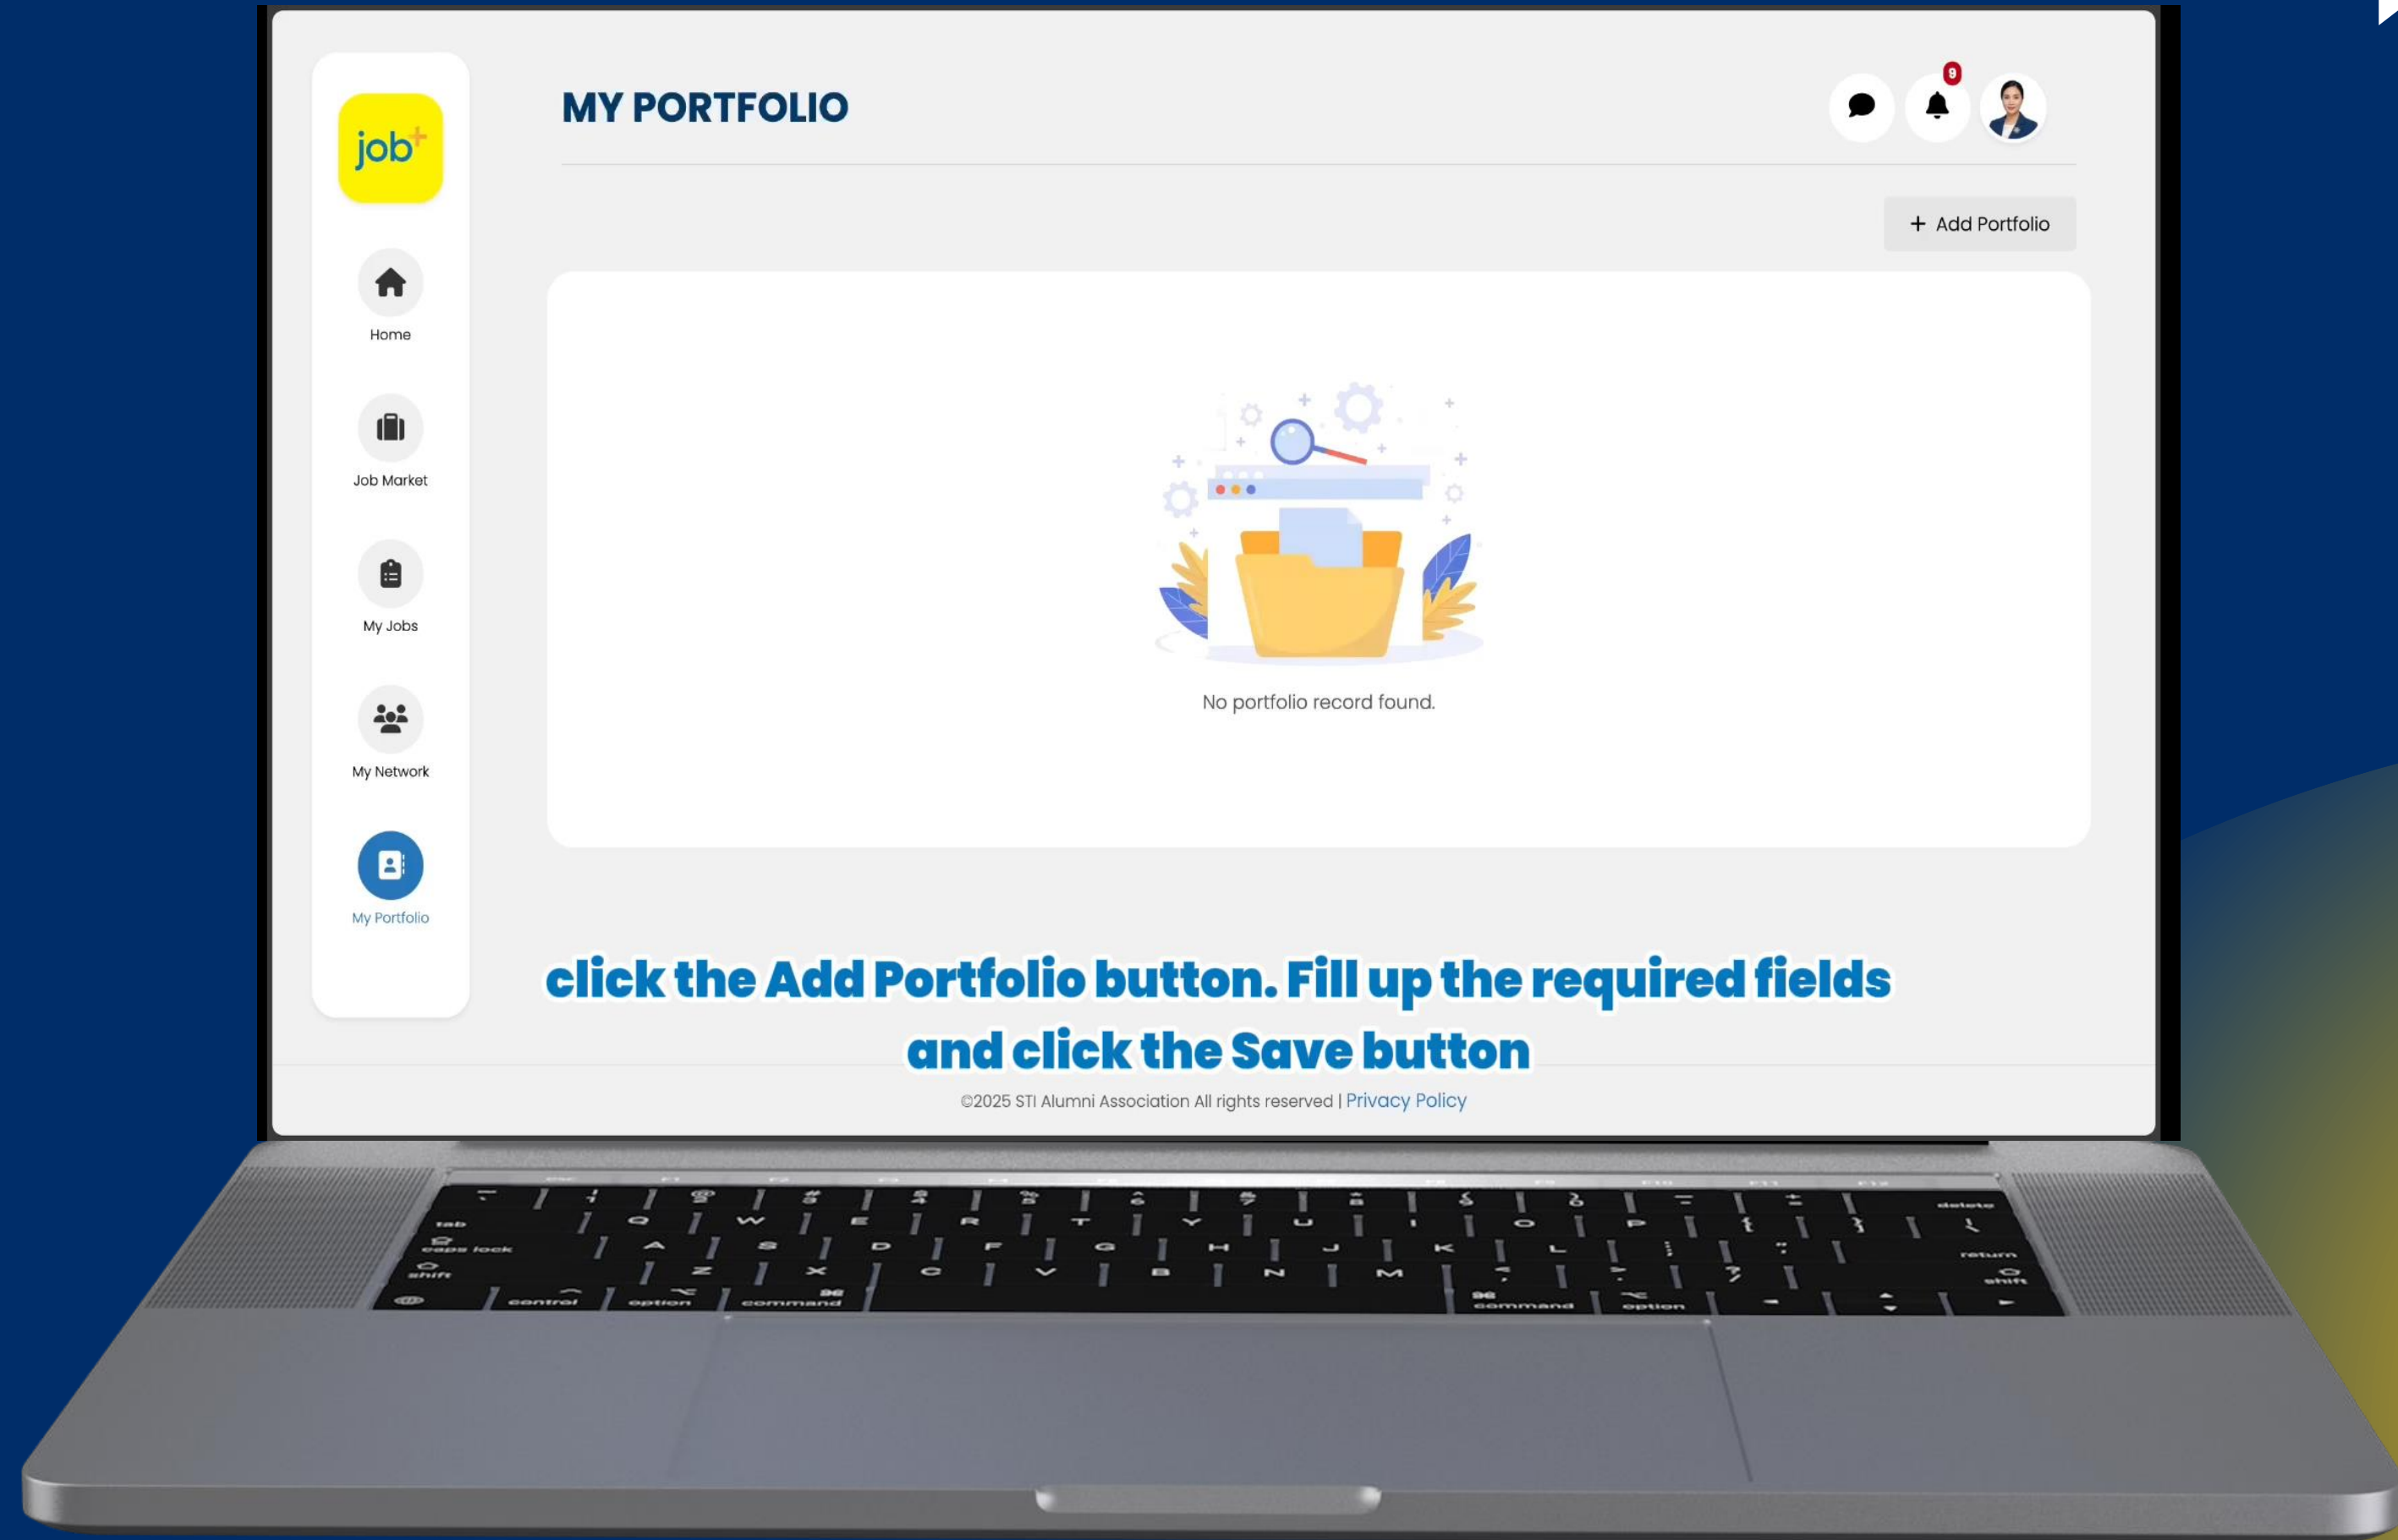

5. MY PORTFOLIO

Adding Portfolio

1. On the My Portfolio page on top right, click the Add Portfolio button. Fill up the required fields and click the Save button.
2. Choose what type you want to upload:
 - a. Fill
 - i. Click the Drop files here or click to upload, then select a file to upload and click the Save button.
 - b. Link
 - i. Paste or add the link on the Document Link field and click the Save button.

6. MY NETWORK

This feature enables you to build and maintain connections with other students, send and accept connection requests, write and approve testimonials, and engage with your professional network.

Here's what you can do in the network:

1. Sending Request for connection
2. Accept or Ignore Invitation
3. Write a Testimonial
4. Approve Testimonial

On the My Network Page, click the Create Network button on the top right

THIS WEEK, I WILL ...

- ✓ Send request for connection
- ✓ Accept invitation
- ✓ Write testimonial
- ✓ Approve testimonial

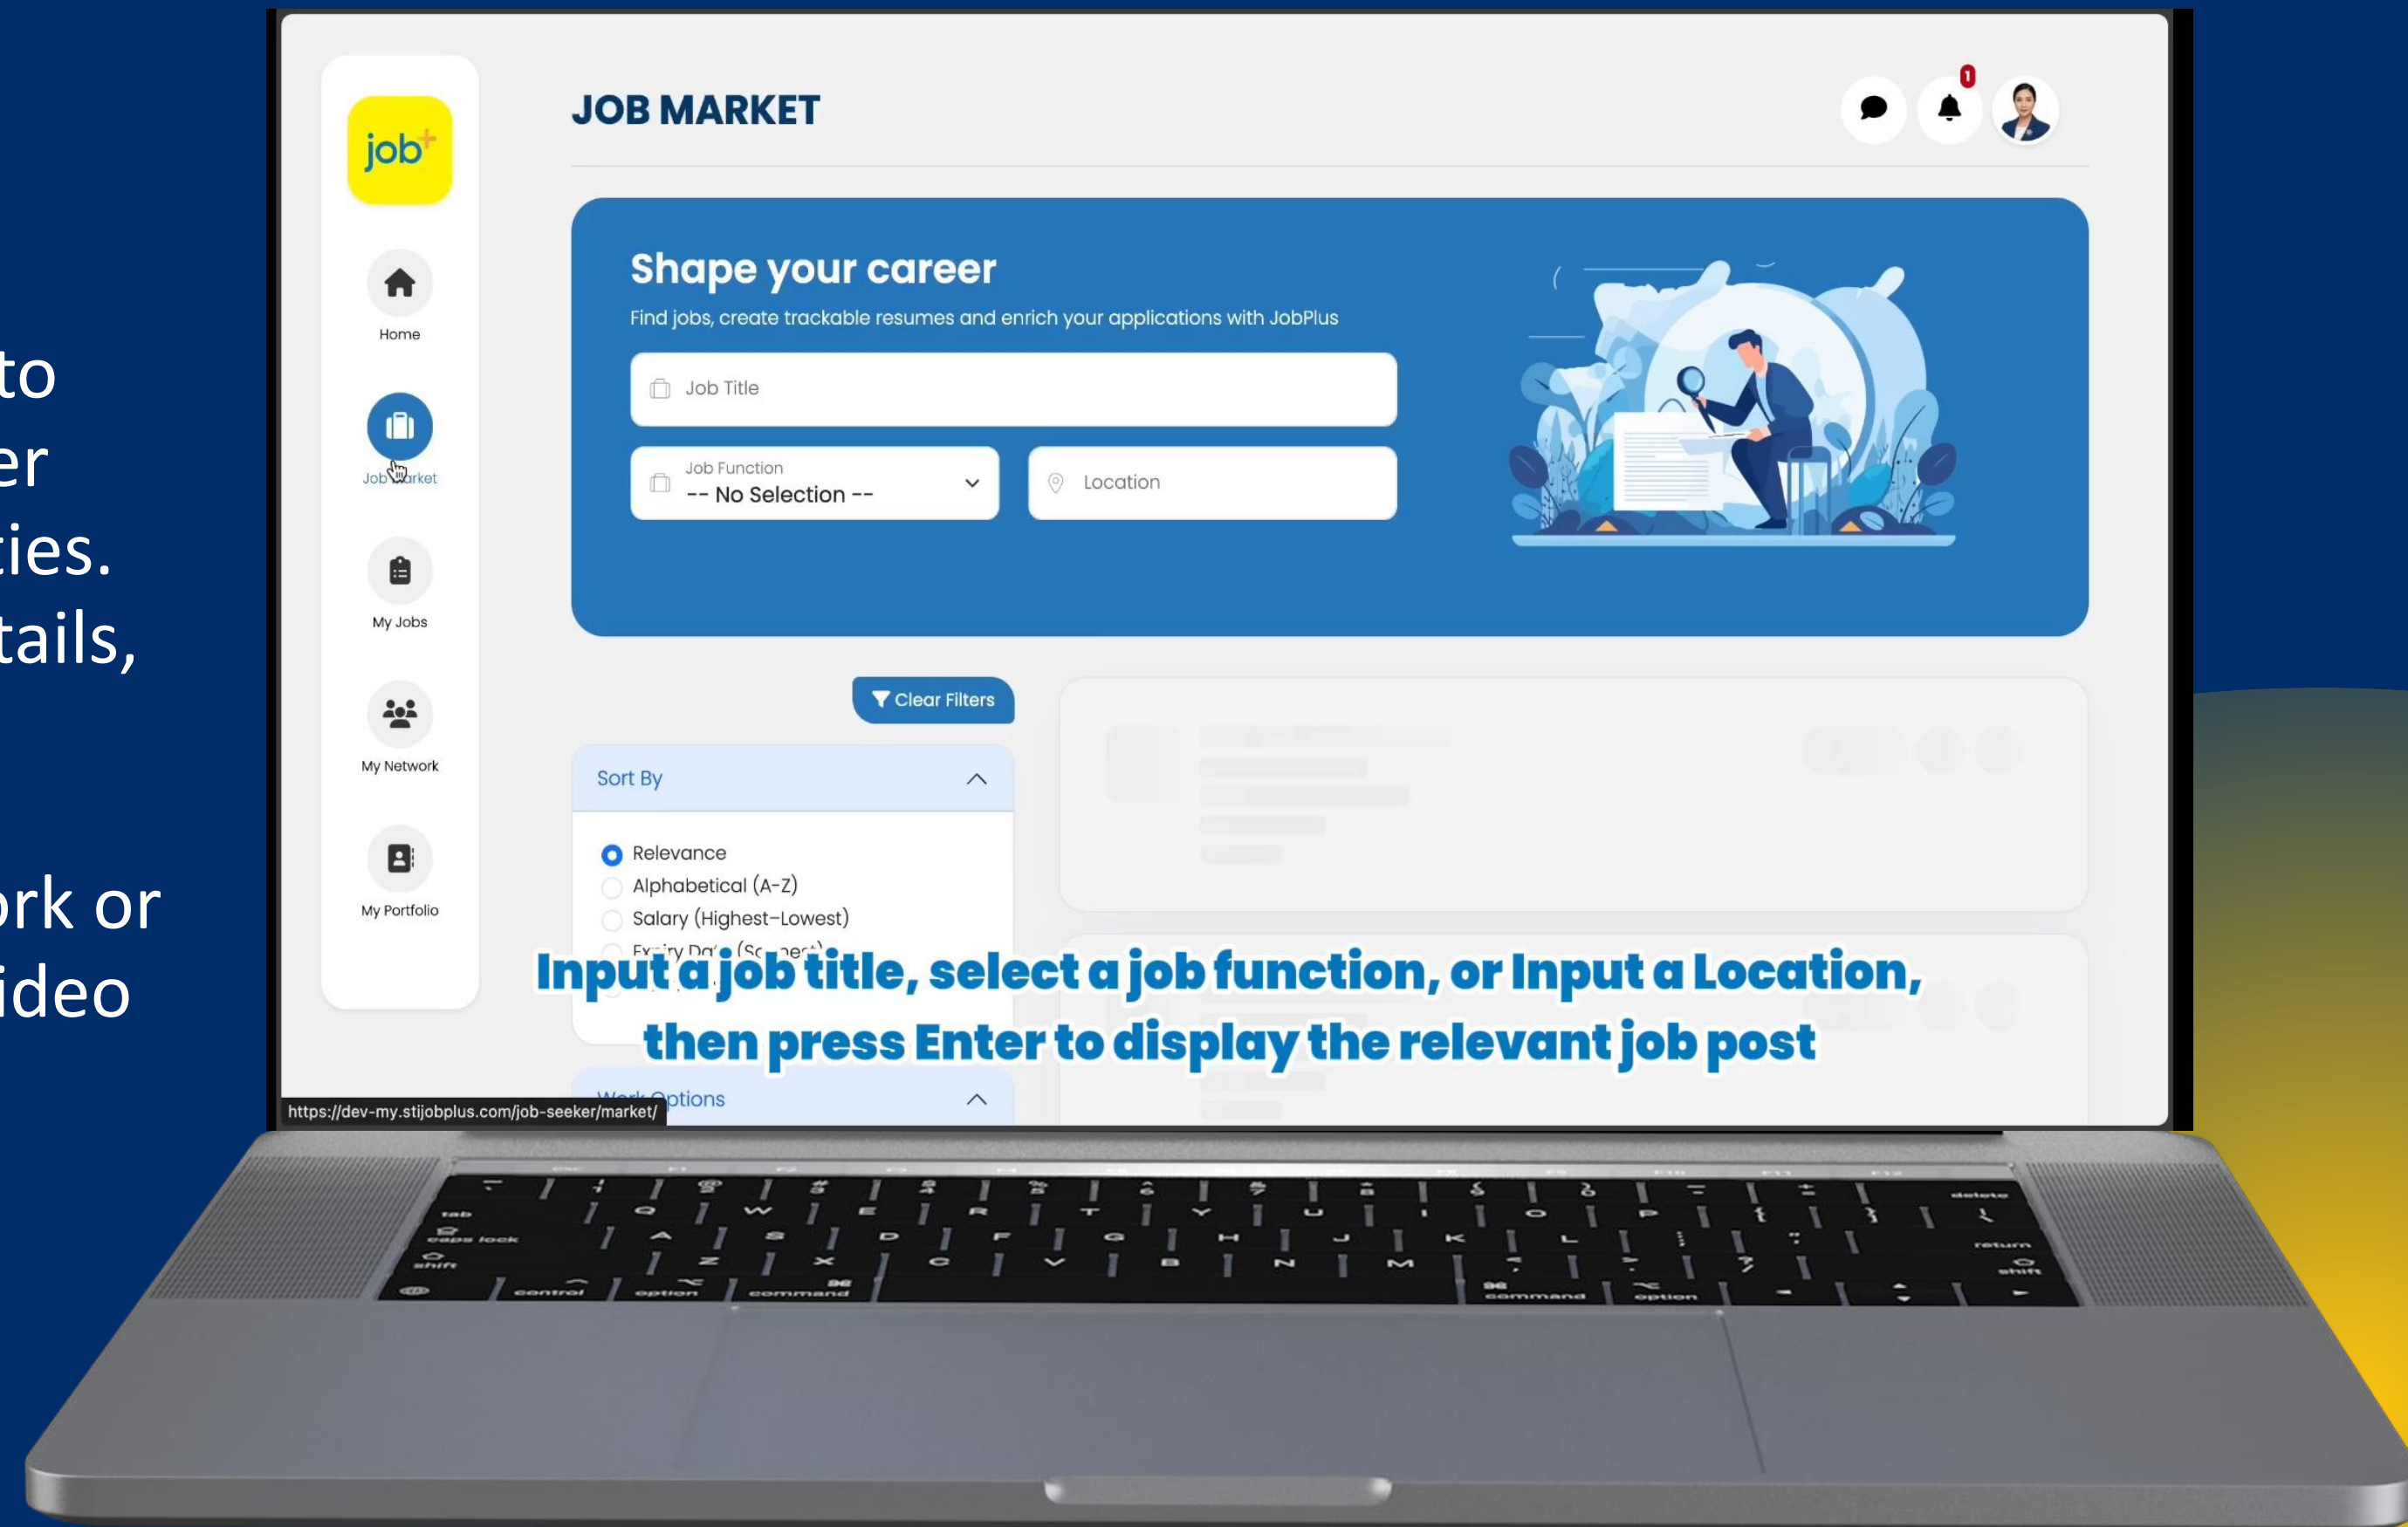

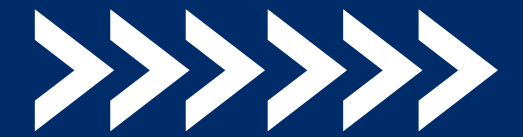

What is the first thing you
look for when checking a job
posting?

7. JOB MARKET

This feature allows you to browse, search, and filter available job opportunities. You can view full job details, apply to positions, save favorite jobs, and share listings with their network or campus. See attached video for detailed guidance.

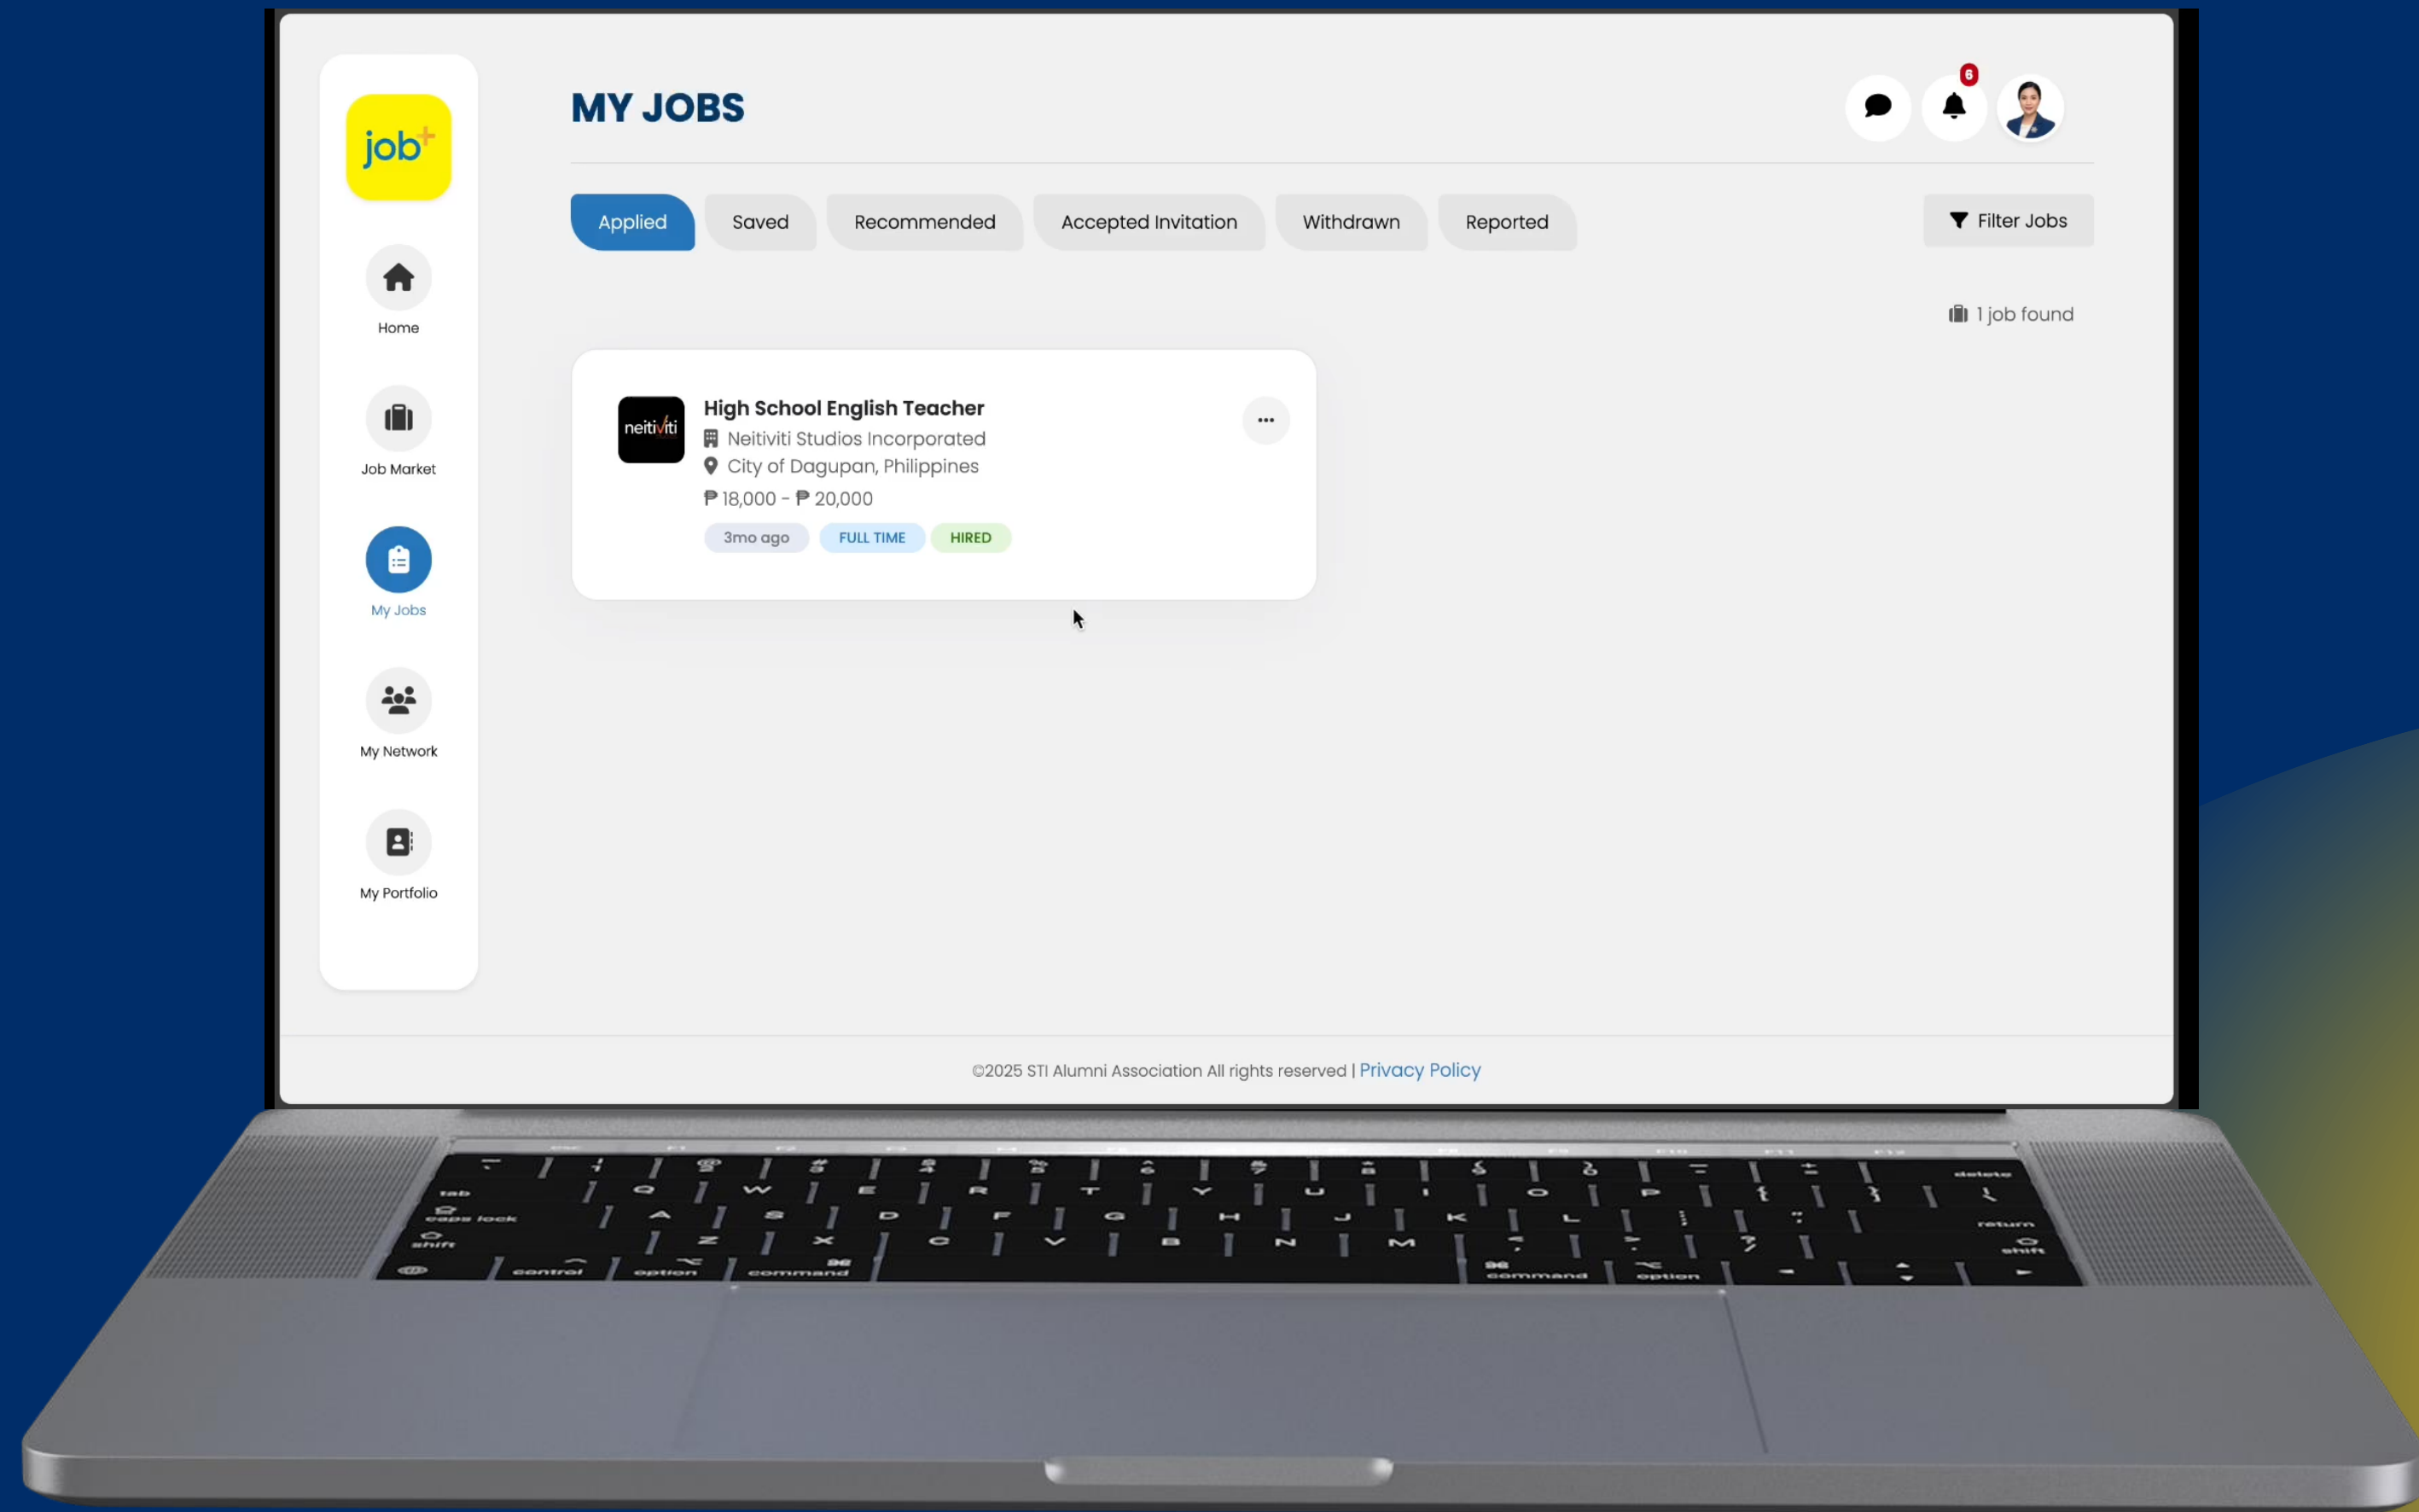

8. MY JOBS

This feature allows you to manage your job applications, including reporting jobs, providing feedback, withdrawing applications, and tracking applied, withdrawn, or reported job posts.

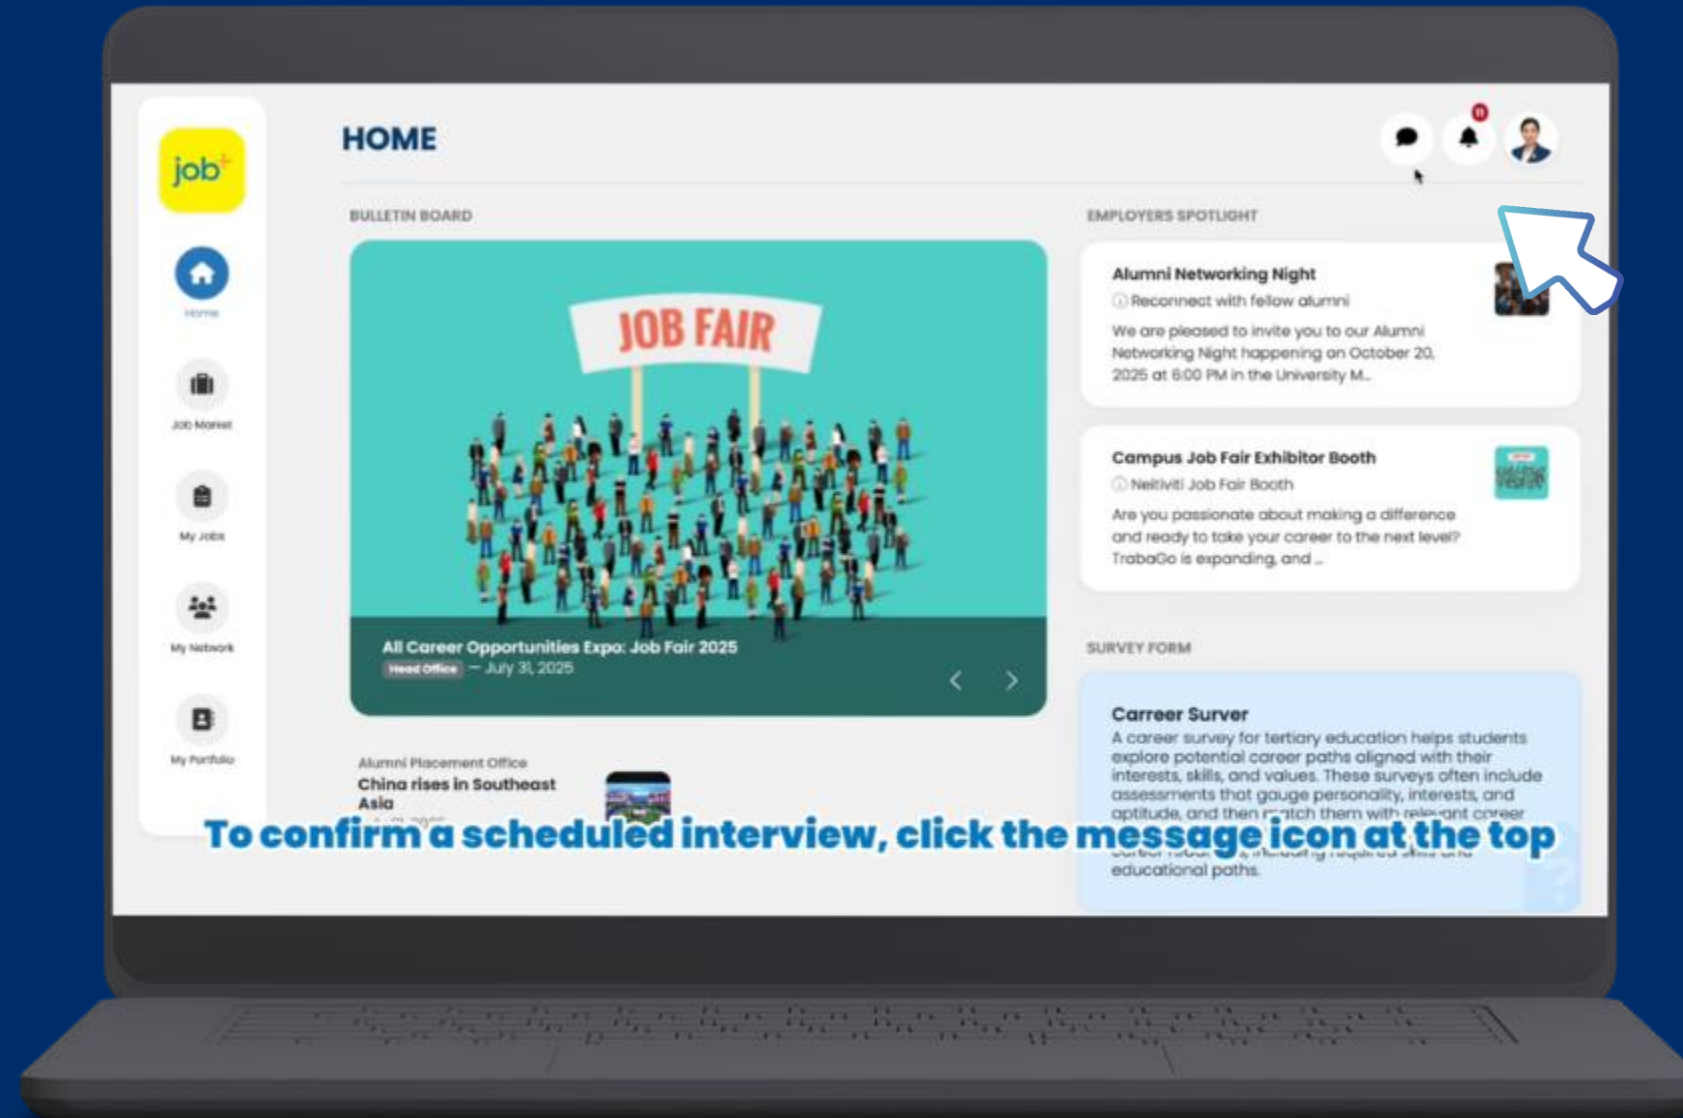

Here's what you can do in the "my jobs":

1. Report Job
2. Remove Reported Job
3. Feedback Job
4. Withdraw Application

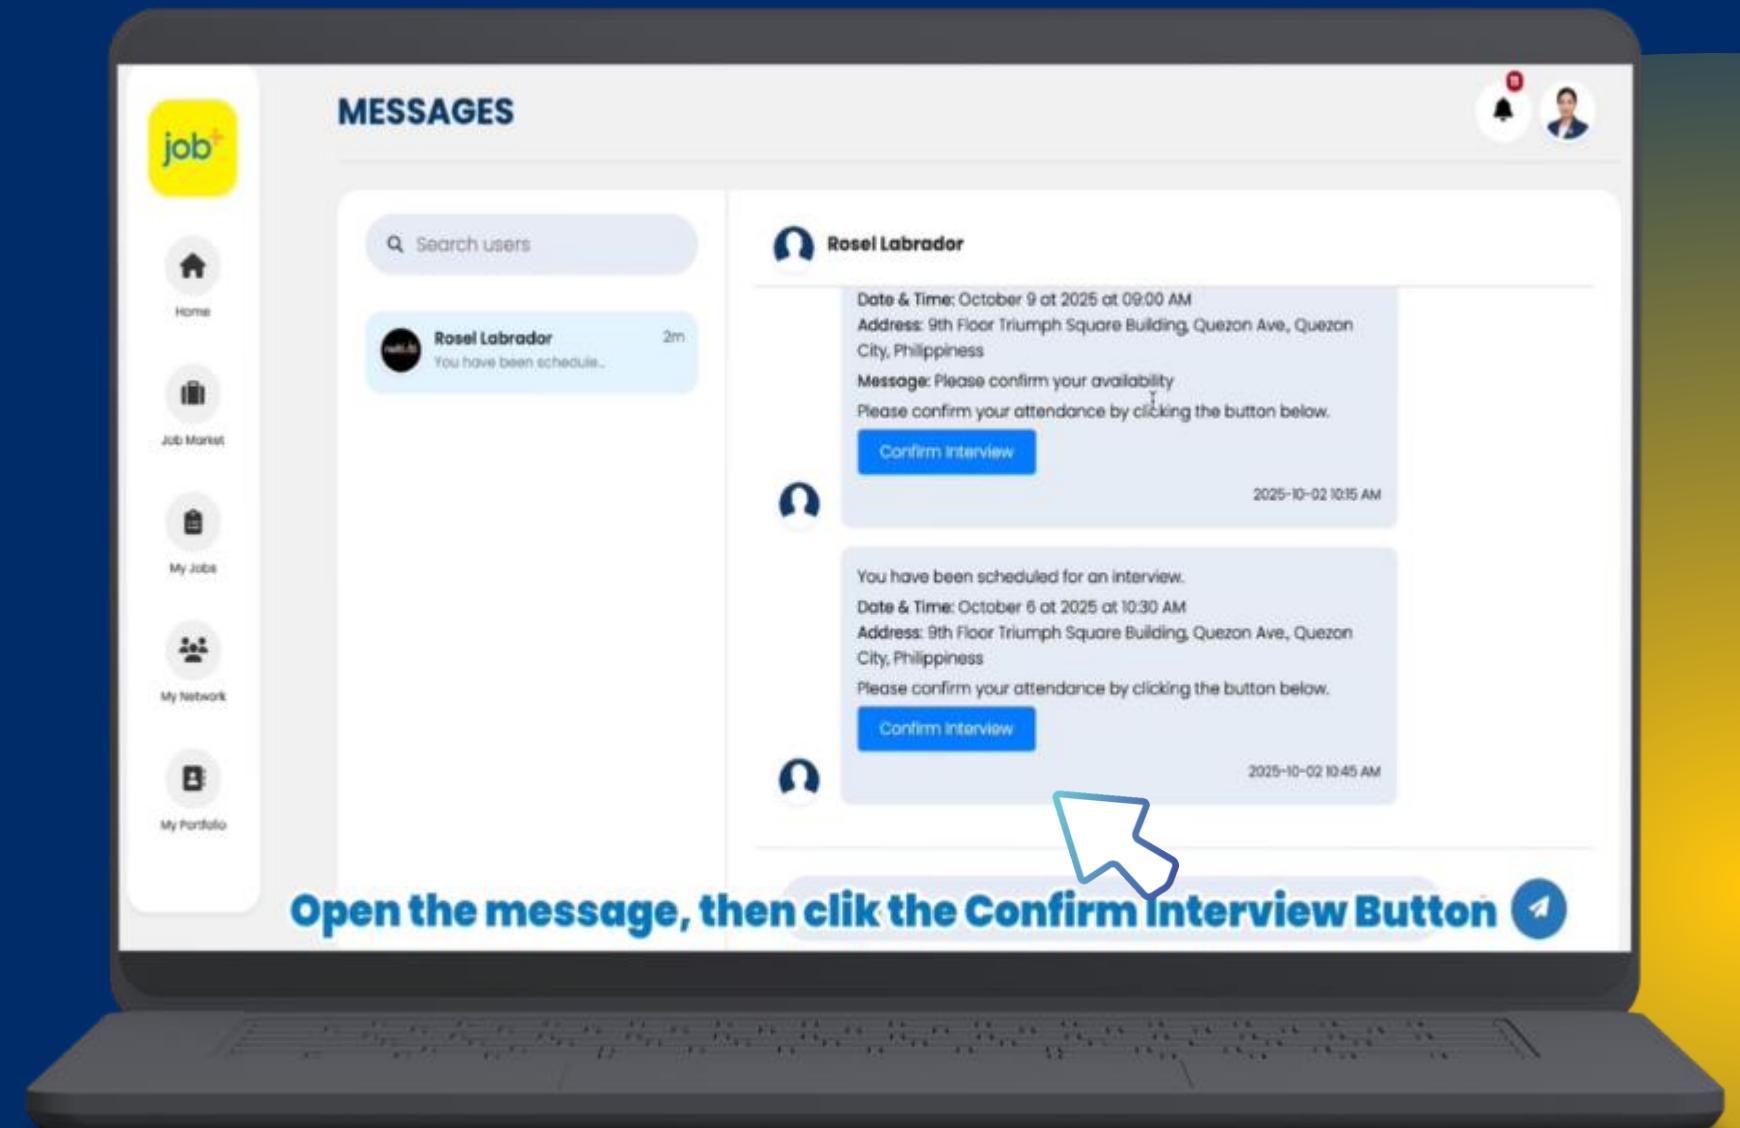

9.CONFIRM JOB INTERVIEW

2. Open the message, then click the Confirm Interview Button

1.To confirm a scheduled interview, click the message icon

Thank You
